

Why use all purpose continuous release plant food?

- Ideal for all plants indoors and outside.
- Perfect for pots & containers, hanging baskets, beds & borders.
- Only one application required for the entire season.

...carefully balanced to provide plants with essential nutrients required for optimum growth and flowering.

Miracle-Gro plant food contains

- Nitrogen which makes sure your plants have healthy, lush, green leaves.
- Phosphate which makes sure you get strong roots.
- Potash which gives you more flowers and makes your plants more resistant to disease and drought.
- Micro nutrients - Essential for all round plant health.

2kg^e

We recommend you always wear gloves when gardening.

How to use

Evenly scatter granules over the compost or soil around your plants

Gently work the granules into the soil or mix thoroughly into compost

As a guide one handful of granules is approx 25g

Plant type	Dosage
Established flowers in beds & borders, vegetables	Evenly sprinkle 75g per square metre over the rooting area
Established ornamental & fruit trees	Evenly sprinkle 50g per metre of tree height to the edges of the areas covered by the branches
Containers & hanging baskets	Sprinkle 25-50g per 10 litres of compost. Use lower rate for big container sizes (bigger than 20 litres) or for sensitive plants (impatiens)
New annual bedding plants	Add one spoonful (5-8 g) directly in the planting hole and slightly mix with the soil prior to planting

• Avoid over watering or allowing plants to dry out as this can cause damage to the roots.

Grows plants **twice as big...**
guaranteed!

Not fed

Fed with Miracle-Gro all purpose continuous release plant food

*Grows plants twice as big versus unfed

UK Fertiliser Declaration

EC FERTILISER NPK (Mg) Fertiliser blend 17-9-11 (2) with Micro-nutrients			
Nitrogen (N) total	17,0%	Boron (B)	0,01%
Nitric nitrogen (N)	7,7%	of which soluble in water	0,006%
Ammoniacal nitrogen (N)	9,3%	Copper (Cu)	0,025%
Phosphorus pentoxide (P ₂ O ₅) soluble in neutral ammonium citrate and water	9,0%	of which soluble in water	0,017%
Phosphorus pentoxide (P ₂ O ₅) soluble in water	6,5%	Iron (Fe)	0,033%
Potassium oxide (K ₂ O) soluble in water	11,0%	of which soluble in water chelated by EDTA	0,09%
Magnesium oxide (MgO)	2,0%	Manganese	0,03%
		Molybdenum (Mo)	0,010%
		of which soluble in water	0,008%
		Zinc	0,008%

RoI Fertiliser Declaration

EC FERTILISER NPK (Mg) Fertiliser blend 17-3,9-9,1 (1,2) with Micro-nutrients			
Nitrogen (N) total	17,0%	Boron (B)	0,01%
Nitric nitrogen (N)	7,7%	of which soluble in water	0,006%
Ammoniacal nitrogen (N)	9,3%	Copper (Cu)	0,025%
Phosphorus (P) soluble in neutral ammonium citrate and water	3,9%	of which soluble in water	0,017%
Phosphorus (P) soluble in water	2,8%	Iron (Fe)	0,033%
Potassium (K) soluble in water	9,1%	of which soluble in water chelated by EDTA	0,09%
Magnesium (Mg)	1,2%	Manganese	0,03%
		Molybdenum (Mo)	0,010%
		of which soluble in water	0,008%
		Zinc	0,008%

pH range for a good stability of chelated Micro-nutrients; up to 6,5

Storage & advice

- Keep out of reach of children.
- Wash hands after use.
- Reseal pack after opening.
- Store in a dry place.

Online product labels are current at the time of uploading.
Always read the label on your purchased product before use.
