*Up to 50% thicker lawn when used according to instructions.

Small EC 'A' package
Packers reference number 320
Packed in the UK
Seed mixture for amenity use.

To thicken a thin, worn out lawn:

Closely mow the lawn, remove clippings

Rake (scarify) the ground and remove debris

Scatter 25g (about a large handful) per m²

Lightly rake into soil

Water in after application

When to use

Use anytime between MARCH and SEPTEMBER.

How big is your lawn?

To determine your lawn size in m², multiply the length by the width. One large stride is approximately 1m.

EIRE declaration

Low nutrient urea type fertiliser (14-0-0)
Nitrogen (N) total 14.0%
Ureic nitrogen (N) 14.0%

UK declaration

Nitrogenous fertiliser (14-0-0) (urea)
Nitrogen (N) total 14.0%
Ureic nitrogen (N) 14.0%

Helpful lawn care tips

- Keep soil moist for the next few weeks until grass established.
- Trim the grass when 5-8cm tall.
- When mowing, do not remove more than 1/3 growth at any one time.
- For patches on your lawn we recommend Miracle-Gro patch magic.
