

# Miracle-Gro<sup>®</sup>

## Instant

**RECOMMENDATIONS:** Gives a long lasting sheen to rubber plants, Philodendrons, Monstera, Fatshedera and other glossy, thick leaved houseplants.

Simply spray on, no polishing or dusting necessary. Also gives a fresh lustre to decorative gourds, pine cones, Christmas holly, etc.

Not recommended for use on hairy or fragile leaved plants, cacti or succulents or on any very young plants.

**DIRECTIONS FOR USE:** SHAKE WELL BEFORE USE. Spray only the upper leaf surfaces from a distance of not less than 35cm (14in) when the room temperature is about 20°C (68°F).

Spray away from direct sunlight and keep treated plants out of the sun until thoroughly dry. Apply a light even film using a sweeping motion.

Avoid over wetting and do not treat buds or open blooms. The spray dries within minutes to give a dust resistant surface gloss. Re-treat once a month. Avoid direct spray of polished surfaces, plastics, wall finishes and furnishings.

### PRECAUTIONS

Use only in well ventilated areas.

**Do not** breathe spray.

#### **WARNING: PRESSURISED CONTAINER.**

Protect from sunlight and do not expose to temperatures exceeding 50°C. Do not pierce or burn, even after use. Do not spray on naked flames or any incandescent material. Keep out of the reach of children and pets.

Keep container in a well ventilated place.

Keep away from sources of ignition -

No smoking.

PROTECT FROM FROST.

Produced in Belgium.
