How to use

Beds & borders

Weed the area thoroughly.

Apply when soil is moist to help retain moisture.

Spread a layer of bark 5cm (2 inches) deep around plants and over bare soil.

Pathways

Weed the area thoroughly.

Brush away any dust, dirt or debris.

Spread a layer of bark 5cm (2 inches) deep over surface.

Containers

Water plants thoroughly.

Spread a layer of bark 5cm (2 inches) deep over the top of the container.

USEFUL TIPS

Using bark on the surface of containers will help to retain moisture in the plant and reduce the need for watering.

Storage

- Reseal bag after use.
- Keep away from pesticides.

Environmental policy

Scotts Miracle-Gro is proud of its environmental record and committed to further progress. With this in mind, we continue to develop consistently outstanding compost, whilst reducing peat wherever possible.

Our range includes reduced peat, and peat free options. We replace peat with naturally occurring, sustainable alternatives such as wood fibre, composted bark and coir.

Miracle-Gro Moisture Control Decorative Pine Bark is derived from FSC sources, which only allow the use of materials from well-managed, sustainable forests.

If you are not completely satisfied with the performance of this product we offer you your money back.
