

ORGANIC CHOICE

azalea, camellia & rhododendron plant food

Why use Miracle-Gro Organic Choice azalea, camellia & rhododendron Plant Food?

- Balanced plant food for all ericaceous plants.
- Made with 100% natural ingredients.
- Stimulates flowering and gives more vigorous healthy plants.
- Contains magnesium for greener leaves.
- One simple application feeds for up to 2 months.
- Safe to use around children and pets. Please follow pack instructions.

CHILDREN & PETS ✓

How to use?

- Evenly scatter granules in early spring over the compost or soil around your plants (one bag covers an area of 20 square metres).
- Gently work the granules into the soil or mix thoroughly into compost.
- After application, water in thoroughly, preferably with rain water.
- Reseal pack, store in a cool dry place. Wash hands after use and store out of reach of children.

How much to use?

As a guide one closed handful is approximately 25g.

At planting, apply 50-125g per plant and mix through the potting compost or soil. For smaller plants apply 75g per square metre of surface area. For existing plants apply 75g for every metre of tree/bush height over the soil area around the plant early spring.

Re-apply early summer.

MORE BLOOMS, GREATER COLOUR!

Trials prove ericaceous plants have significantly more blooms with better colour when fed with Miracle-Gro Organic Choice Azalea, Camellia & Rhododendron Plant Food.

UK Fertiliser Declaration

Compound Fertiliser

NPK 6.5-6-7 containing magnesium (Mg)

Nitrogen (N) total 6.5%
