## How to use

Evenly scatter granules over the compost or soil around your plants.

Gently work the granules into the soil or mix thoroughly into compost.

After application, water in thoroughly.

Reseal pack, store in a cool dry place. Wash hands after use and store out of reach of children.

As a guide one closed handful of granules is approximately 25g.

**Ornamental bushes and trees**  
For existing plants apply 75g for every metre of tree/bush height over the soil area covered by the spread of branches. Apply 2-3 times during the growing season.

**All flowers and bedding plants**  
At planting sprinkle evenly at 75g for every metre squared. Re-apply 1-2 times during the season.

**Containers and Hanging baskets**  
Mix 75-100g of granules per 10 litres of compost before planting.

## Stronger, healthier plants...guaranteed!

Not fed      Fed regularly with Miracle-Gro Organic Choice all purpose plant food

\*Trials prove significantly stronger and healthier plants when fed with Miracle-Gro Organic Choice all purpose plant food
