

MURPHYTM

Multi Purpose Compost

Murphy Multi Purpose Compost is ideal for all gardening uses.

Uses

Sowing, cuttings, potting, hanging baskets, tubs and planting out.

Plants

Houseplants, bedding plants, perennials, herbs, shrubs, trees and vegetables.
NOT SUITABLE FOR Rhododendrons, Azaleas and Heathers or other acid loving plants. For these use an Ericaceous compost.

How to use

Use straight from the bag. When filling seed trays or potting, firm only lightly.

Watering

Keep the compost moist and do not let it dry out. Do not leave plants standing in water.

Feeding

Contains all essential plant foods for 4-6 weeks after planting. Then feed with a suitable plant food. e.g. Miracle-GroTM

We recommend you always wear gloves when gardening.

50 litres

Cuttings

Firm cuttings into the compost. Keep moist in a warm place out of direct sunlight.

Potting

Water the plant to be potted. Part fill the new pot with compost, place the plant in the centre and top up with compost. Firm lightly and water.

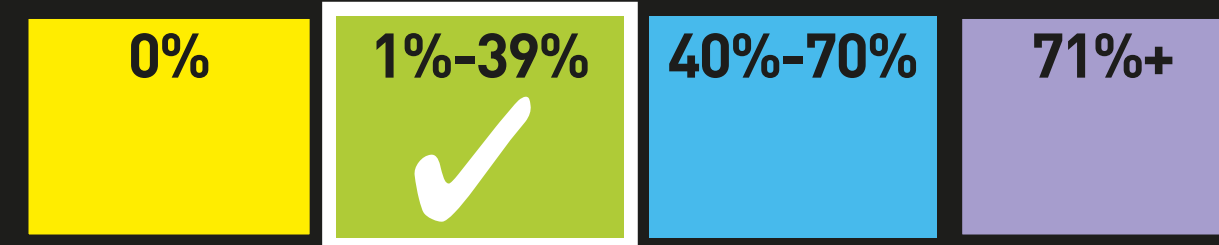

Hanging baskets & tubs

Fill with compost and plant up. Firm lightly and water.

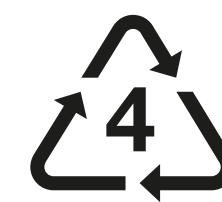

ENVIRONMENTAL MESSAGE

Scotts Miracle-Gro is proud of its environmental record and committed to further progress. With this in mind, we continue to develop consistently outstanding compost, whilst reducing peat wherever possible. Our range includes reduced peat, and peat free options. We replace peat with naturally occurring, sustainable alternatives such as wood fibre, composted bark and coir.

HOW MUCH PEAT IN THIS PRODUCT?
