

Pathclear® GUN!

MOSS & ALGAE KILLER

Pathclear Gun! Moss & Algae Killer destroys moss, algae and lichens on all kinds of hard surfaces including decking, brick paving, patios, fences, sheds, glass, perspex, garden furniture, walls, paved areas and driveways. Simple to use with no mixing or scrubbing required. Made from biodegradable ingredients, it is non-staining and will not damage the treated areas. Pathclear Gun! Moss & Algae Killer offers long-lasting protection, preventing moss re-infestation, especially on surfaces particularly affected by moisture (damp and shady surfaces).

INSTRUCTIONS FOR USE

WHERE TO USE:

Outdoor paved areas, patios, decking, paths, driveways and walls, greenhouse or conservatory glass, perspex, garden furniture, sheds or fences. Whilst this product leaves no deposits or stains, it is recommended that you test on a small area if unsure.

WHEN TO USE:

Best treatment period: April, May, June, September and October. Treat in dry weather, when no rain is expected for 24hrs after treatment.

HOW TO USE:

Remove any large accumulations of moss, mould or algae using a stiff brush. Remove any debris such as leaves, twigs, litter or weeds. Ready to use, no preparation is required. For best results, apply when surface is completely dry.

SHAKE WELL BEFORE USE

1. Press the top of the spray head to free the nozzle and turn to the spray position.
2. Spray liberally onto contaminated surface.
3. After use, turn the nozzle to the "off" position. No need to rinse off.

REACTION TIME

Typically 1-3 days depending on the severity of growth and weather conditions. 1 litre treats 3 – 7 sq. m depending on level of soiling.

Pathclear Gun! Moss and Algae Killer contains 10g/l Benzalkonium chloride.

PRECAUTIONS

WASH ANY CONTAMINATION from skin or eyes immediately. WASH HANDS AND EXPOSED SKIN before meals and after use. Keep only in the original container. Keep container tightly closed. KEEP IN A SAFE PLACE.
