Scotts®

Vegetable Garden Mulch

Scotts® Vegetable Garden Mulch is a nutrient rich, premium blend mulch that improves soil and supports healthier plant growth.

Ideal and ready to use for vegetable gardens, raised beds and planter boxes.

WHAT'S IN THE BALE?

Slow Release Feeding
Packed with nutrients, slowly feeding your plants for stronger, healthier growth

Weed Suppression
Helps suppress weeds so you can spend less time weeding and more time enjoying your garden

Water Retention
Helps lock in moisture to reduce watering and protect plant roots

This product contains animal byproducts (such as manures) and care must be taken when using it on areas where ruminant animals graze. At all times it must be properly incorporated into the soil before allowing ruminants to graze on treated areas.

HOW MUCH MULCH?

45L = up to 7m² Coverage

Spread mulch to a depth of 2-5cm across the garden bed

SUSTAINABILITY COMMITMENT

We are actively working on improving the responsible sourcing profile of our products.

HOW TO USE

- 1 PREPARE AREA**
Remove any weeds and debris before applying mulch.
- 2 APPLY MULCH**
Spread mulch evenly around plants to a depth of 2-5cm.
- 3 ALLOW CLEAR AREA**
Keep mulch 3-5cm clear from plant stems to allow airflow and prevent rot.
- 4 WATER IN WELL**
after applying to help mulch settle and start feeding.

TIPS & ONGOING CARE

- For best results, apply mulch after planting.
- Top up mulch as required to maintain good coverage, soil health and moisture.
- Start strong with a mix that brings out the best in your veggies, try Scotts® Osmocote Tomato, Veg & Herb Potting Mix.

SAFETY TIPS

We recommend you always wear gloves when gardening. Wear a particulate mask if dusty. Keep the product moist while handling. Wash hands immediately after use.

HAZARDOUS

COMPOSTS, POTTING MIXES AND OTHER ORGANIC GARDENING MATERIALS
This product is made from organic materials and contains living micro-organisms, including bacteria, fungi and protozoa. Also contains mineral and fertiliser additives.

RISK
Inhalation of dust and/or liquid mists may irritate, inflame or sensitise the nose, throat and lungs resulting in illnesses ranging from hayfever or asthma, to pneumonia (e.g. Legionnaire's disease) or pneumonia-like illnesses. Direct contact with this material or its dust and/or liquid mists (bioaerosols) may cause skin irritation (dermatitis), and skin or eye infection or irritation. People particularly at risk are those suffering from asthma or allergies, and those whose immune defence systems are compromised.

SAFETY
Avoid contact with eyes and skin. Avoid breathing dust and/or liquid mists (bioaerosols). Wear suitable protective clothing and standard duty gloves (AS/NZS 2161.2). If exposed to dust and/or liquid mists, also wear dust resistant eye protection (AS/NZS 1336) and particulate respirator (AS/NZS 1715 and AS/NZS 1716). Wash thoroughly immediately after handling. Wash work clothes regularly. Clean up by wet sweeping or vacuuming. Store this product in a cool location.

FIRST AID
Irrigate eyes with plenty of water for 10 minutes. Wash skin with soap and water. Seek medical attention for any persistent skin, eye or respiratory symptoms.

DISPOSAL
Follow above safety precautions and collect in containers for disposal as trade waste in accordance with local authority guidelines.

For further information, refer to the SAFETY DATA SHEET.
