

INCREDIBLE RESULTS, EVERY TIME.

Scott's® Performance Naturals delivers the results you expect with the ingredients you want.

Scott's® Performance Naturals contains *NatureN* which is a fast acting and unique natural ingredient rich in nutrients.

Scott's® Performance Naturals grows more vegetables, flowers and herbs - with only 100% natural ingredients*.

CONTAINS ONLY NATURAL INGREDIENTS*

UNIQUE LOW-ODOUR FORMULA

NatureN

Unique, fast-acting natural nitrogen to promote rapid growth.

Blood & Bone

High in organic Nitrogen and Phosphorus for healthy leaf growth and root development. High in Calcium for stronger stems.

Seaweed

Improves overall health and increases resistance to drought, frost, disease and insect attacks.

Bio Stimulants

Act as soil and plant conditioners, and maximise nutrient and availability and uptake.

Chicken Manure

Rich in Nitrogen, Phosphorus and Potash - supplies your plants with vital nutrients and amends soils with a boost in organic material.

Feather Meal

High in slow release Nitrogen - provides your plants with slow release feeding.

SAFETY TIPS

We recommend you always wear gloves when gardening. Wear a particulate mask if dusty.

SUSTAINABILITY COMMITMENT

RESPONSIBLE SOURCING

We are actively working on improving the responsible sourcing profile of our products.

This packaging is recyclable through the REDcycle Program. To find your nearest drop off location, visit www.redcycle.net.au

HOW TO USE

Scott's® Performance Naturals Premium Potting Mix is ready to use straight from the bag with no further additives required.

- 1 Select a clean pot at least 25mm wider than the original and partly fill with potting mix.
- 2 Turn the plant out of its container. Loosen root ball gently and remove any rotten or entirely dried out roots.
- 3 Position the plant in the pot and fill with potting mix. Do not pack down.
- 4 Water thoroughly and protect plant from wind, heat and strong sunlight for around 5 days.

ONGOING PLANT CARE

- Performance Naturals Premium Potting Mixes contain a balanced fertiliser but additional fertiliser may be required in time, depending on plant needs.
- Plants should be watered immediately after potting and frequently enough to ensure the mix remains moist but not wet. Avoid allowing plants to dry out.
- Plants should be re-potted with new potting mix when they outgrow the pot or after 12-18 months.

HOW MUCH MIX?

POT DIAMETER	VOLUME	25L BAGS
1/2 WINE BARREL	120L	
50cm (20")	40L	
40cm (16")	30L	
30cm (12")	20L	
25cm (10")	10L	

HAZARDOUS

This mix complies with the requirements of AS3743 for a premium grade potting mix.

COMPOSTS, POTTING MIXES AND OTHER ORGANIC GARDENING MATERIALS

This product is made from organic materials, including composted pinebark, and contains living micro-organisms, including bacteria, fungi and protozoa. Also contains mineral and fertiliser additives.

RISK

Inhalation of dust and/or liquid mists may irritate, inflame or sensitise the nose, throat and lungs resulting in illnesses ranging from hayfever or asthma, to pneumonia (e.g. Legionnaire's disease) or pneumonia-like illnesses. Direct contact with this material or its dust and/or liquid mists (bioaerosols) may cause skin irritation (dermatitis), and skin or eye infection or irritation. People particularly at risk are those suffering from asthma or allergies, and those whose immune defence systems are compromised.

SAFETY

Avoid contact with eyes and skin. Avoid breathing dust and/or liquid mists (bioaerosols). Wear suitable protective clothing and standard duty gloves (AS/NZS 2161.2). If exposed to dust and/or liquid mists, also wear dust resistant eye protection (AS/NZS 1336) and particulate respirator (AS/NZS 1715 and AS/NZS 1716). Wash thoroughly immediately after handling. Wash work clothes regularly. Clean up by wet sweeping or vacuuming. Store this product in a cool location.

FIRST AID

Irrigate eyes with plenty of water for 10 minutes. Wash skin with soap and water. Seek medical attention for any persistent skin, eye or respiratory symptoms.

DISPOSAL

Follow above safety precautions and collect in containers for disposal as trade waste in accordance with local authority guidelines.

For further information, refer to the SAFETY DATA SHEET.
