

EVERYDROP

PREMIUM HOSE-ON
SOIL WETTER

Make the most of available water with Scotts Everydrop Premium Hose-On Soil Wetter. Formulated to optimise water penetration and absorption into the soil and root zone consistently and evenly. **Overcomes water repellence in soils and potting mix.** For use on gardens, pots, lawns and landscapes. Whether relying on rain, sprinklers or hoses, Scotts Everydrop helps maximise every drop of water and **increases water absorption by 50%***.

Broad application is simple with the unique **Easy Sprayer – no drips, no mixing!**

Increases Water Penetration: Gets water deep into dry soil. Watering becomes more effective and plant health improves. **Helps water penetrate hydrophobic soils caused by organic wax coatings.** Your soil will **absorb more water at the root zone** where it needs it which will help your gardens and lawns flourish.

Improves Water Retention: Designed to help water disperse evenly into dry soils that repel water. Allows maximum rehydration instantly, resulting in stronger, deeper root systems and improved soil health.

Fast Acting: Provides 1 month of immediate soil and potting mix re-wetting. Helps to reduce dry spots, wasteful run-off and pooling.

*Based on standard vs. treated growing media

how to use?

This 1 litre pack treats up to 150m²

To determine the size of your garden, multiply the length x width in metres. 1 large stride = approx. 1 metre.

TIPS

- Apply in the cool part of the day
- Re-apply monthly, for maximum effectiveness
- Always rinse off foliage

HOW TO APPLY?

1. CONNECT

- Shake bottle well before use
- Attach sprayer to hose and turn water on

2. APPLICATION

- Slide the thumb switch to the ON position to APPLY SOIL WETTER or slide to the WATER position to just water in
- Walk slowly using a sweeping action to distribute the spray over the measured garden or lawn area
- When applying to garden, always finish by rinsing foliage. Simply slide to the WATER position and water over plants for a few seconds
- Takes approximately 12.5 minutes to empty the contents of the bottle
- When finished, switch to OFF position and turn off water

SAFETY: AVOID CONTACT WITH SKIN AND EYES BY WEARING GLOVES AND EYE PROTECTION. IN CASE OF CONTACT WITH EYES, RINSE IMMEDIATELY WITH PLENTY OF WATER. AFTER CONTACT WITH SKIN, WASH IMMEDIATELY WITH PLENTY OF SOAP AND WATER. SEEK MEDICAL ADVICE IF INGESTED. KEEP OUT OF REACH OF CHILDREN AND PETS. STORE UNDER COOL CONDITIONS.
