

Osmocote® The Original Controlled Release Plant Food™

Grow delicious vegetables and herbs, and gorgeous bedding plants in your garden with Osmocote®. Osmocote® Vegetable, Tomato, Herb & Garden Beds helps your vegetable and garden beds flourish throughout the season by releasing the vital nutrients they need, when they need them most. Added organic compounds and the high Iron formula helps activate the soil and develop beautiful blooms and vegetables.

Osmocote® is environmentally safe and will not burn plants when used as directed. This product contains a unique soil wetting agent to help the soil hold more water.

Directions for Use

Apply Osmocote® Vegetable, Tomato, Herb & Garden Beds around your garden plants every 6 months. Sprinkle 4 tablespoons per square metre of garden area and lightly rake in or cover with topsoil or mulch.

New Garden Beds: Scatter 6 tablespoons of Osmocote® per square metre.

Mix Osmocote® evenly throughout fresh soil prior to planting.

Application Rates

Ideal For	Planting	Established Plants
Annual garden beds	6 TBL per m ² or ½ TBL per plant	4 TBL per m ² or ½ TBL per plant
Flowers		
Vegetables		
Bulbs	1 TBL per plant	2 TBL per plant
