LAWN FOOD + SOIL IMPROVER

Lawn Builder + Organics is a complete lawn food that organically enriches your soil to build a strong foundation for long term grass health.

WHY DOES IT WORK SO WELL?

Lawn Builder + Organics stimulates soil microbial activity with boosts of seaweed, composted manure, fish and other organic matter to feed your lawn above and below the soil.

HOW DOES IT IMPROVE THE SOIL?

Rejuvenates the soil and encourages beneficial microbial and earthworm activity.

Rich in beneficial trace minerals and hormones that stimulate growth and healthy root systems.

Increases soil fertility by providing a source of burn-free nitrogen, phosphorus and potassium necessary for plants to thrive.

Stimulates the microbiological release of soil nutrients.

Improves water retention in the soil allowing plants to thrive with less watering.

WHEN DO I FEED MY LAWN?

Apply anytime of year. For best results feed three times per year.

ONE ANNUAL FEEDING IN EARLY SPRING

SECOND ANNUAL FEEDING IN EARLY SUMMER

THIRD ANNUAL FEEDING IN AUTUMN

DIRECTIONS FOR USE

Do not apply when temperatures are expected to exceed 30°C or when soil is very dry and grass is suffering from moisture stress.

WHERE TO APPLY	HOW TO APPLY		
Lawn areas only. Safe on all turf types.	Measure the area of your lawn in m ² . (Hint: 1 large stride = approx. 1metre). This 8kg pack covers up to 220m ² depending on your desired lawn results.		
	Result	Rate	Covers
	Good	36g/m ²	220m ²
	Best	45g/m ²	170m ²
Weigh out the correct amount of product for the size of your lawn area. Spread evenly over the lawn surface and water it thoroughly. Wait one week after fertilising before mowing. For new lawns, spread evenly over the soil surface and then mix into the top 10cm of soil. Water in thoroughly and keep area well watered until established.			

IMPORTANT
This product when wet, will cause iron stains. Be sure to sweep all granules off paths, coping, paving, driveways, shoes etc. immediately after use. Do not allow the granules to come in contact with these surfaces when wet.

STORE IN A DRY PLACE. KEEP OUT OF REACH OF CHILDREN AND PETS.
Pet safety: Some pets may be attracted to this product. Store out of reach of pets. To prevent consumption, water well after application.

HEALTH WARNING
GARDEN SOILS CONTAIN MICRO-ORGANISMS THAT MAY BE HARMFUL TO YOUR HEALTH. ALWAYS WEAR GLOVES, KEEP DAMP WHILE IN USE, AVOID INHALING THE MIX AND WASH HANDS AFTER USE.

NOTICE
NOT TO BE FED TO SHEEP, CATTLE, DEER, ALPACAS, GOATS OR OTHER RUMINANT ANIMALS.

LAWN FOOD + SOIL IMPROVER

GOOD FOR YOUR LAWN, THE SOIL AND THE ENVIRONMENT in 4 WAYS:

1. Slow release technology ensures that one application of **Lawn Builder™ + Organics** keeps feeding for months and is guaranteed not to burn your lawn, cause surge growth or yellowing of the grass if directions are followed.
2. Boosted with composted manure, seaweed, fish and organic biostimulants to encourage microorganism and earthworm activity in the soil.
3. Fortified with Iron to promote lush green foliage.
4. Contains a Wetting agent to improve water retention and help drought proof the lawn.

Lawn Builder™ Plus Organics Lawn Food + Soil Improver is:

- ✓ Safe to use on all lawn types including Buffalo, Couch and Kikuyu.
- ✓ Easily applied and allows nutrients to filter between the grass blades right down to the grass roots.
- ✓ Low odour as granules contain a smell reducing agent.

Nurture your lawn like nature does, giving it everything needed to stay healthier for longer.

^okay to re-enter lawn after application
