

Vermiculite

Debco Vermiculite is ideal for sowing fine to very fine seeds. Use a small quantity of Vermiculite to cover seeds during germination. Vermiculite retains moisture and regulates temperature to aid in germination.

Vermiculite is a naturally occurring, non-toxic aluminium iron silicate mineral that has been heated to a high temperature to produce a lightweight material with a high surface area.

Debco Vermiculite is ideal in the following applications

- Seed raising mix
- Propagation or cutting mix

Creates 10 Litres of Mix

Propagation – Cutting and Striking Mix

- 5L Peat Moss (50%)
- 5L Perlite (50%)
- 250 ml Vermiculite

Blend Peat Moss and Perlite to create a propagation mix. Sprinkle Vermiculite as a fine layer on top of the mix.

Seed Raising Mix

- 8.5L Peat Moss (85%)
- 1.5L Horticultural Sand (15%)
- 250 ml Vermiculite

Blend Peat Moss and Horticultural Sand to create a seed raising mix. Sprinkle Vermiculite as a fine layer on top of the mix.

HAZARDOUS

COMPOSTS, POTTING MIXES AND OTHER ORGANIC GARDENING MATERIALS

This product is made from organic materials and contains living micro organisms including bacteria, fungi and protozoa. May also contain mineral additives.

RISK Inhalation of dust and/or liquid mists may irritate, inflame or sensitise the nose, throat and lungs resulting in illnesses ranging from hay fever or asthma, to pneumonia (eg Legionnaire's disease) or pneumonia-like illnesses. Direct contact with this material or its dust and/or liquid mists (bioaerosols) may cause skin irritation (dermatitis), and skin or eye infection or irritation. People particularly at risk are those suffering from asthma or allergies, and those whose immune defence systems are compromised.

SAFETY Avoid contact with eyes and skin. Avoid breathing dust and/or mists (bioaerosols). Wear suitable protective clothing and standard light gloves (AS2161). If exposed to dust and/or liquid mists, also wear dust resistant eye protection (AS/NZS 1336) and particulate respirator (AS/NZS1715 or 1716). Wash thoroughly immediately after handling. Wash work clothes regularly. Clean up by wet sweeping or vacuuming. Store this product in a cool location.

FIRST AID Irrigate eyes with plenty of water for 10 minutes. Wash skin with soap and water. Seek medical attention for any persistent skin, eye or respiratory symptoms.

DISPOSAL Follow above safety precautions and collect in containers for disposal as trade waste in accordance with local authority guidelines.
