

Sphagnum Moss

Debco Sphagnum Moss offers high water holding capacity characteristics and will prevent the mix from drying out quickly by holding the moisture in.

Sphagnum Moss is sourced from carefully managed designated areas and is similar to other horticultural mosses but differs in form as it grows in groups forming clumps of mosses. These clumps make it ideal for growing conditions in hanging planter baskets.

Debco Sphagnum Moss is ideal in the following application

- Hanging basket mix

Creates 10 Litres of Mix

Hanging Basket Mix

- Bag Sphagnum Moss
- 5L Potting Mix

Line the hanging basket with Sphagnum Moss. Fill the lined basket with potting mix.
