

Organic Mix

superior potting & planting mix

Debco **Organic Mix** is a NASAA certified premium potting and planting mix for organic gardens.

Using Organic Mix will provide essential nutrients, trace elements and minerals in a safe and readily available form for healthy plant growth.

Organic Mix encourages beneficial micro-organisms and has great soil water retention.

Organic Mix has been specially blended to give home gardeners the ability to grow a wide range of organic vegetables, herbs, salad greens and strawberries.

Blood & Bone Fertiliser

Rich source of organic nutrients.

Organic Carbon

Promotes biological activity in the soil.

Calcium Supports nutrient uptake and stronger plant cells.

100% Organic certified

HAZARDOUS

COMPOSTS, POTTING MIXES AND OTHER ORGANIC GARDENING MATERIALS

This product is made from organic materials, including composted pine bark, and contains living micro organisms including bacteria, fungi and protozoa. May also contain mineral and fertiliser additives.

RISK Inhalation of dust and/or liquid mists may irritate, inflame or sensitise the nose, throat and lungs resulting in illnesses ranging from hay fever or asthma, to pneumonia (eg Legionnaire's disease) or pneumonia-like illnesses. Direct contact with this material or its dust and/or liquid mists (bioaerosols) may cause skin irritation (dermatitis), and skin or eye infection or irritation. People particularly at risk are those suffering from asthma or allergies, and those whose immune defence systems are compromised.

SAFETY Avoid contact with eyes and skin. Avoid breathing dust and/or mists (bioaerosols). Wear suitable protective clothing and standard light gloves (AS2161). If exposed to dust and/or liquid mists, also wear dust resistant eye protection (AS/NZS 1336) and particulate respirator (AS/NZS1715 or 1716). Wash thoroughly immediately after handling. Wash work clothes regularly. Clean up by wet sweeping or vacuuming. Store this product in a cool location.

FIRST AID Irrigate eyes with plenty of water for 10 minutes. Wash skin with soap and water. Seek medical attention for any persistent skin, eye or respiratory symptoms.

DISPOSAL Follow above safety precautions and collect in containers for disposal as trade waste in accordance with local authority guidelines.

DISCLAIMER The information contained on this label is given in good faith. It is accurate to the best of our knowledge but as the manufacturer or supplier cannot exercise control over the use of this product, they accept no responsibility for any damage, injury or loss of living things, soils or materials which may result from its use or storage.

Debco is committed to using renewable resources wherever possible. Organic Mix is produced with renewable resources.

HOW TO USE

Debco Organic Superior Potting & Planting Mix is ready to use straight from the bag.

- 1 Fill a large clean pot or raised garden bed with the mix allowing room to add the new plants.
- 2 Turn the plant out of its container. Loosen root ball gently and remove any rotten or entirely dried out roots.
- 3 Position the plants and fill around with new mix. Do not pack down.
- 4 Soak with water and protect plants from wind, heat and strong sunlight for around 5 days.

In Ground Use: Blend mix with your garden soil and dig a hole for planting potted or bare-rooted plants.

ONGOING PLANT CARE

- A quality 3 month organic fertiliser was added at manufacture but additional fertiliser may be required in time, depending on plant needs.
- Plants should be watered immediately after potting and frequently enough to ensure the mix remains moist but not wet. Avoid allowing plants to dry out.
- Plants should be re-potted with new potting mix when they outgrow the pot or after 12–18 months.

DEBCO QUALITY

Debco is a committed member of Nursery Industry Associations and Australian Standards for Potting Mix committee.

Debco is a significant contributor to the maintenance of Australian Standards and uses the standards of professional nursery growers as the benchmark for the production of these products.

Debco is the choice of leading professional growers.
