

# Premium Mix

premium potting mix

Debco **Premium Potting Mix** has been developed from years of experience in the production of potting mixes for professional nursery growers who specialise in the production of quality plants sold through garden centres.

The formulation has been developed to provide excellent growth of both indoor and outdoor plants including ferns, flowering and foliage plants, trees and shrubs, annuals and perennials.

**Fertiliser**  
Control Release  
**Controlled Release Fertiliser**  
Distributes nutrients as plants need it.

**Seaweed**  
**Seaweed Fertiliser**  
Promotes biological activity in the soil.

**Wetting Agent**  
**Wetting Agent**  
Ensures nutrients get to the root zone.

**Trace Elements**  
**Trace Elements**  
Micro-nutrients vital to plant growth.

This mix may not be suitable for phosphorus sensitive plants such as natives.

## HAZARDOUS COMPOSTS, POTTING MIXES AND OTHER ORGANIC GARDENING MATERIALS

This product is made from organic materials, including composted pine bark, and contains living micro organisms including bacteria, fungi and protozoa. May also contain mineral and fertiliser additives.

**RISK** Inhalation of dust and/or liquid mists may irritate, inflame or sensitise the nose, throat and lungs resulting in illnesses ranging from hay fever or asthma, to pneumonia (eg Legionnaire's disease) or pneumonia-like illnesses. Direct contact with this material or its dust and/or liquid mists (bioaerosols) may cause skin irritation (dermatitis), and skin or eye infection or irritation. People particularly at risk are those suffering from asthma or allergies, and those whose immune defence systems are compromised.

**SAFETY** Avoid contact with eyes and skin. Avoid breathing dust and/or mists (bioaerosols). Wear suitable protective clothing and standard light gloves (AS2161). If exposed to dust and/or liquid mists, also wear dust resistant eye protection (AS/NZS 1336) and particulate respirator (AS/NZS1715 or 1716). Wash thoroughly immediately after handling. Wash work clothes regularly. Clean up by wet sweeping or vacuuming. Store this product in a cool location.

**FIRST AID** Irrigate eyes with plenty of water for 10 minutes. Wash skin with soap and water. Seek medical attention for any persistent skin, eye or respiratory symptoms.

**DISPOSAL** Follow above safety precautions and collect in containers for disposal as trade waste in accordance with local authority guidelines.

**MANUFACTURER** DEBCO PTY LTD, 12 MCKIRDYS ROAD, TYABB VIC 3913 AUSTRALIA

For further information refer to the Material Safety Data Sheet for this product which is available from Debco Pty Ltd.

**DISCLAIMER** The information contained on this label is given in good faith. It is accurate to the best of our knowledge but as the manufacturer or supplier cannot exercise control over the use of this product, they accept no responsibility for any damage, injury or loss of living things, soils or materials which may result from its use or storage.

Debco is committed to using renewable resources wherever possible. Premium Potting Mix is produced with renewable resources.

## HOW TO USE

Debco Premium Potting Mix is ready to use straight from the bag with no further additives required.

- Select a clean pot at least 25mm wider than the original and partly fill with potting mix.
- Turn the plant out of its container. Loosen root ball gently and remove any rotten or entirely dried out roots.
- Position the plants in the pot and fill with new potting mix. Do not pack down.
- Soak with water and protect plant from wind, heat and strong sunlight for around 5 days.

## ONGOING PLANT CARE

- A quality 6 month balanced fertiliser was added at manufacture but additional fertiliser may be required in time, depending on plant needs.
- Plants should be watered immediately after potting and frequently enough to ensure the mix remains moist but not wet. Avoid allowing plants to dry out.
- Plants should be re-potted with new potting mix when they outgrow the pot or after 12–18 months.
