

Designer Mulch Natural

Debco **Natural Mulch** is manufactured to the highest standards from high quality materials to provide the home gardener with a reliable and easy to use decorative mulch.

This mulch is long lasting and will provide both a decorative finish to your landscape garden as well as the beneficial results of applying mulch.

The benefits of mulching include:

Natural mulch adds a decorative element to all garden types.

Improves water penetration and reduces evaporation. Mulch also prevents water run off and soil erosion.

Restricts the germination of weed seeds, therefore reducing garden maintenance.

Reduces the exposure of the soil to sun and frost, protecting the plant from extreme changes in soil temperature.

HAZARDOUS

COMPOSTS, POTTING MIXES AND OTHER ORGANIC GARDENING MATERIALS

This product is made from organic materials, including composted pinebark, and contains living micro organisms including bacteria, fungi and protozoa. May also contain mineral and fertiliser additives.

RISK Inhalation of dust and/or liquid mists may irritate, inflame or sensitise the nose, throat and lungs resulting in illnesses ranging from hayfever or asthma, to pneumonia (eg Legionnaire's disease) or pneumonia-like illnesses. Direct contact with this material or its dust and/or liquid mists (bioaerosols) may cause skin irritation (dermatitis), and skin or eye infection or irritation. People particularly at risk are those suffering from asthma or allergies, and those whose immune defence systems are compromised.

SAFETY Avoid contact with eyes and skin. Avoid breathing dust and/or mists (bioaerosols). Wear suitable protective clothing and standard light gloves (AS2161). If exposed to dust and/or liquid mists, also wear dust resistant eye protection (AS/NZS 1336) and particulate respirator (AS/NZS1715 or 1716). Wash thoroughly immediately after handling. Wash work clothes regularly. Clean up by wet sweeping or vacuuming. Store this product in a cool location.

FIRST AID Irrigate eyes with plenty of water for 10 minutes. Wash skin with soap and water. Seek medical attention for any persistent skin, eye or respiratory symptoms.

DISPOSAL Follow above safety precautions and collect in containers for disposal as trade waste in accordance with local authority guidelines.

MANUFACTURER DEBCO PTY LTD, 12 MCKIRDYS ROAD, TYABB VIC 3913 AUSTRALIA

DISCLAIMER The information contained on this label is given in good faith. It is accurate to the best of our knowledge but as the manufacturer or supplier cannot exercise control over the use of this product, they accept no responsibility for any damage, injury or loss of living things, soils or materials which may result from its use or storage.

Debco is committed to using renewable resources wherever possible. Debco Natural Mulch is produced with renewable resources.

HOW TO USE

Debco Natural Mulch is ready to use straight from the bag with no further additives required.

Apply mulch to the soil surface to a depth of 4cm to 8cm in landscape gardens or 2cm to 4cm in pots.

This is the ideal depth to allow

- Maximum water penetration
- Minimum evaporation
- Weed suppression
- Erosion control
- Buffer soil temperature against heat or frost

HOW MUCH MULCH?

GARDEN BEDS

$$\frac{\text{Length (cm)} \times \text{Width (cm)} \times \text{Depth (cm)}}{\text{(divided by) } 1000} = \text{Litres required}$$

1m²

- 4 cm depth = 1 bag
- X 6 cm depth = 1.5 bags
- 8 cm depth = 2 bags

DEBCO QUALITY

Debco is a committed member of Nursery Industry Associations and Australian Standards for Potting Mix committee. Debco is a significant contributor to the maintenance of Australian Standards and uses the standards of professional nursery growers as the benchmark for the production of these products.
