ANT CLEAR™

CONTROL GRANULES ULTRA 2

AntClear™ Control Granules Ultra 2 is an insecticide for amateur use against ants and their nests. The active ingredients are derived from plant origin. For outdoor use only. For use on paths, patios and uncultivated land immediately around properties. Dust free with a sugar based carrier that attracts ants.

INSTRUCTIONS FOR USE:

FOR USE ONLY AS AN INSECTICIDE FOR AMATEUR USE.

HOW TO USE:

Open container, press inwards firmly where indicated with thumb.

By drench: Dilute 20 g in 1 litre of water in a watering can and apply solution in 1 m².

By scatter: Apply 20 g per m².

TIP:

Look for ant runs to help find and estimate the size of the nest. Adapt the quantity of product accordingly. In general, a nest covers 1 m².

SAFETY PRECAUTIONS:

Use biocides safely and sustainably. This product should be used in accordance with the product label. Use only as described on the label. Wash hands and exposed skin before meals and after use. This material and its container must be disposed of in a safe way. HAZARDOUS TO BEES. Prevent access to baits by children and animals. Do not use where food, feed or water could become contaminated. Keep in a safe place.

Poison Information: For information or to report a poisoning incident in Ireland, contact the National Poisons Information Centre (018092166), retain the label for reference.

Active Ingredient: 0.21% w/w Chrysanthemum cinerariaefolium extract from open and mature flowers of Tanacetum cinerariifolium obtained with supercritical carbon dioxide as a ready to use granular bait (GB).

Do Not Recycle

For Batch Number and Expiry Date, see bottom of the pack.
