

## COMPOST

# ALL PURPOSE

### BIGGER PLANTS, MORE FLOWERS, GREENER LEAVES – GUARANTEED†

Our premium compost mix is proven to grow healthier plants – at least twice as big than those grown in ordinary compost. Miracle-Gro® compost enables strong root development with improved water and nutrient absorption, resulting in bigger plants, more flowers and fruits, greener leaves – guaranteed.

We're so confident you'll love it, we'll replace it if you're not satisfied. Need a helping hand? Call our Miracle-Gro® Garden Gurus.

† FIND OUT ABOUT OUR MIRACLE-GRO® GUARANTEE

### EXPERTLY CRAFTED USING PEAT FREE INGREDIENTS

Miracle-Gro® Compost – All Purpose is peat free using a carefully selected mix of ingredients that your plants will love.

### ENRICHED WITH 3 MONTHS FEED

This ready-to-use compost is enriched with Miracle-Gro® plant food granules which slowly release vital nutrients over 3 months. That means less effort for you and all the nourishment your plants need to thrive – giving you more time to enjoy your garden.

## MIRACLE-GRO® ROOTED IN SCIENCE

Compost contains plant food granules

Check before watering

#### DAY 1

Fill container with Miracle-Gro® Compost – All Purpose and plants.

#### WATER REGULARLY

Always check before you water. It can be wet below the surface – if damp, don't water.

#### 3 MONTHS

Start feeding with Miracle-Gro® Plant Food Liquid – All Purpose every 2 weeks, 3 months after planting, for summer-long blooms and healthy leaves. Always check before you water.

CONTAINS 3 MONTHS FEED

## USEFUL TIPS

Sometimes you might see white mould on your compost. This is not harmful to your plants and will disappear naturally.

Some plants are hungrier than others so may need feeding earlier. If the leaves start to pale this is a sign to start feeding with a Miracle-Gro® Plant Food.

Try to avoid compost in pots drying out, and don't let them sit in water – roots don't like being waterlogged!

Outdoor pots and containers might need more water in the summer, so always do the finger test to check (see diagram above).

Miracle-Gro® Compost – All Purpose is ideal for many plants, including bulbs and houseplants, however there are a few plants that are better suited to other composts:

When growing from scratch, we recommend Miracle-Gro® Seeds, Plugs & Young Plants Compost which is specially formulated for younger plants.

For all plants that love acidic soil, known as ericaceous, we strongly recommend Miracle-Gro® Azalea, Camellia, Rhododendron Compost.

## HOW MUCH COMPOST IS IN THIS BAG

\*Medium Pots 22cm (9")

Large Pots 25cm (10")

Large Containers 42cm (17")

Hanging Baskets 30cm (12")

## HOW TO USE

This ready-to-use compost contains 3 months feed.

### FOR CONTAINERS & BASKETS

Place a layer of compost in the base of the pot.

Tap out the plant from the old pot, loosen the root ball and place in the centre of the pot.

Fill the space around the root ball, ensuring the compost level covers all the roots.

Firm lightly, water thoroughly and let drain. If filling a pot, place a saucer under the container to avoid water run-off.

ALWAYS WEAR GLOVES

### BEDS & BORDERS

Dig a hole twice the size of the root ball.

Position the plant and fill with 50% soil and 50% compost and firm around the base.

Water thoroughly.

## HEALTH, SAFETY & STORAGE ADVICE

### Miracle-Gro® Compost – All Purpose

Keep out of reach of children and pets. Wear gardening gloves and wash hands after use. Open bag carefully, use in a well ventilated area and avoid breathing in dust.

**Storage:** Keep the bag closed when in storage to prevent drying out.

Store in a cool place, away from direct sunlight. Storage from one year to another may affect performance. Keep away from pesticides.
