

# Weedol<sup>®</sup> GUN!

**FAST ACTING WEEDKILLER**

MAPP: 16170  
PCS No: 04521

## INSTRUCTIONS FOR USE FOR USE ONLY AS A HOME GARDEN WEEDKILLER.

For use on unwanted vegetation in paths, drives and patios.  
**READ ALL SAFETY INSTRUCTIONS BEFORE USE**

## WHEN TO USE:

**Weedol<sup>®</sup> Gun!** Fast Acting Weedkiller should be applied from March to October, when the weeds are actively growing.

J F M A M J J A S O N D

Repeat treatment after 14 days where re-growth occurs. For total control of established deep-rooted perennial weeds such as bindweed use a product containing glyphosate, for example Weedol Rookkill Plus. Use on a dry calm day and avoid spray drift. Re-treat if the application has not dried before rain occurs. Maximum number of treatments: 4 per year.

## WHERE TO USE:

**Weedol<sup>®</sup> Gun!** Fast Acting Weedkiller is a multipurpose weedkiller for use on unwanted vegetation. It can be used to kill broad leaved weeds and grasses in paths, drives and patios. Around the bases of roses, ornamental shrubs and trees, and under hedges (providing they are established, with woody bark).

It can also be used for weeding before sowing or planting vegetables, flowers or lawns. Treated areas can be re-planted or re-seeded the day after treatment.

## HOW TO USE:

- 1 Press down firmly on top of trigger head behind nozzle to depress safety tab.
- 2 At the same time, twist nozzle to spray position (1/4 turn either way).
- 3 Apply the spray evenly to leaves and stems. Weeds must be thoroughly wetted to the point of run-off.
- 4 Turn nozzle to 'off' position after spraying.

**For best results: treat small weeds at an early stage of growth. Repeat application after 14 days if weeds are not completely dead.**

## CAUTION:

**Weedol<sup>®</sup> Gun!** Fast Acting Weedkiller kills all green plant growth including lawn grasses. DO NOT apply to lawns and plants you want to keep.

Apply no more than 100 mL/m<sup>2</sup>.

Allow spray to dry before walking or playing on treated areas.

## SAFETY INFORMATION Protection during/in use

Avoid contact with eyes.  
IN CASE OF CONTACT WITH EYES, RINSE IMMEDIATELY with plenty of water and seek medical advice. If swallowed, seek medical advice immediately and show this container or label.  
**WASH OFF SPLASHES FROM SKIN IMMEDIATELY.** Wash hands and exposed skin after use.

## Environmental protection

Do not apply when rainfall is expected within 6 hours of application.

Risk to non-target insects or other arthropods.

Dangerous to bees. To protect bees and pollinating insects do not apply to plants when in flower. Do not use where bees are actively foraging. Do not apply when flowering weeds are present.

Direct spray away from ponds and other surface water bodies.

Do not empty into drains. Use appropriate containment to avoid environmental contamination.

## Storage and disposal

**KEEP OUT OF THE REACH OF CHILDREN AND PETS. KEEP PRODUCT IN ORIGINAL CONTAINER,** tightly closed in a safe place. Keep away from food, drink and animal feeding stuffs. **EMPTY CONTAINER COMPLETELY** and dispose of safely.

**For the UK only:** Dispose of empty container in the dustbin. Dispose of unused product in its container at a household waste site (civic amenity site). Contact your local council (local authority) for details. This material and its container must be disposed of in a safe way.  
**PROTECT FROM FROST**

## Risk and safety information

**TO AVOID RISKS TO HUMAN HEALTH AND THE ENVIRONMENT, COMPLY WITH THE INSTRUCTIONS FOR USE.**

If medical advice is needed, have product container or label at hand. Keep out of reach of children. Read label before use. Do not eat, drink or smoke using this product. Do not contaminate water with the product or its container.

MAPP: 16170 PCS No: 04521

Contains 60 g/l acetic acid formulated as a ready to use liquid.
