

WHY CHOOSE PATIO MAGIC! CONCENTRATE?

Destroys mould, algae and lichens on all kinds of hard surfaces including **brick paving, patios, glass, perspex, garden furniture, walls, paved areas and driveways**. Also suitable for indoor use and as a pre-paint fungicidal wash.

INSTRUCTIONS FOR USE

SHAKE WELL. BEFORE USE. Application: Apply to **dry surfaces** only. Dilute 1:4 with water for normal use (or up to max 1:9 for light growths) in a low-pressure garden sprayer or watering can, and **saturate** the surface. Rinse out sprayer or watering can after use. Do not apply if rain is expected in the next 5-6 hours. Applied with a garden sprayer, will cover about 3.5 sq.m (horizontal surfaces) to 7 sq.m (vertical surfaces) per litre of diluted product. With a watering can, coverage will be lower. Total coverage approx. 170m² when diluted. **Reaction time:** Kills green mould and algae within typically 2-4 days, and helps to gently clean the treated surfaces in the following weeks and months. Algal growth may discolour for several days after treatment. Also kills black mould, but residual black mould staining may persist. In the event of direct contact with plants, flush with clean water. **Keep animals off treated surfaces until completely dry (often 5-6 hours).**

PRECAUTIONS

*Use biocides safely and sustainably. *It is illegal to use this product for uses or in a manner other than prescribed on this label. *DO NOT CONTAMINATE FOOD STUFFS, EATING UTENSILS OR FOOD CONTACT SURFACES. *KEEP AWAY FROM TREATED SURFACES UNTIL DRY. *WASH HANDS AND EXPOSED SKIN before meals and after use. *KEEP IN A SAFE PLACE. *This material and its container must be disposed of in a safe way. *Ireland: ALL BATS ARE PROTECTED UNDER SCHEDULE 5 OF THE WILDLIFE ACTS (1976 AND 2000).
