### For quick and easy applications why not use the Miracle-gro feeder?

Just fill the jar with Miracle-Gro all purpose soluble plant food, top up with water, attach to

the hosepipe and away you go - feeding and watering at the same time!

# Why use all purpose soluble plant food?

- Ideal for all plants indoors and outside whether in pots and containers, hanging baskets, beds borders, or the lawn.
- Healthier, more beautiful plants within 2 weeks.

...carefully balanced to provide plants with essential nutrients required for optimum growth and flowering.

## Miracle-Gro plant food contains

- Nitrogen which makes sure your plants have healthy, lush, green leaves.
- Phosphate which makes sure you get strong roots.
- Potash which gives you more flowers and makes your plants more resistant to disease and drought.
- Micro-nutrients Essential for all round plant health and disease resistance.

We recommend you always wear gloves when gardening.

### How to use

around the base.

Wet the leaves with a

Feed every 2 weeks from fine rose on a watering can, early spring - late summer.

Plant type	Dosage
Beds & borders, pots, containers & hanging baskets	Mix one large spoonful (15ml) in 4.5 litres of water
Gro-sacs™, vegetable & fruit planters	Mix one large spoonful (15ml) in 4.5 litres of water. Apply 1 x 4.5 litre watering can per Gro-sac™ or planter
Lawns	Mix one large spoonful (15ml) in 4.5 litres of water. Apply 1 x 4.5 litre watering can per 2.5m <sup>2</sup>
Houseplants	Mix one small spoonful (1.25ml) in 1 litre of water

- 4.5 litres is 1 gallon (An average size watering can).
- Avoid applying in direct sunlight.
- Avoid over watering or allowing plants to dry out as this can cause damage to the roots.

## **Grows plants** twice as big... guaranteed!
