

Fish, Blood & Bone

All Purpose Plant Food

Contains a combination of releasing nitrogen and naturally occurring materials which supply the 3 main nutrients:

- Organic Nitrogen slowly & steadily releases for up to 8 weeks, promoting strong growth and healthy, rich green foliage
- Phosphate slowly & steadily releases to promote vigorous root growth
- Potassium promotes flower production and improves ripening of fruit and vegetables
- Apply directly from the pack

How to use

During soil preparation/planting time sprinkle evenly over the soil and mix in well. During dry weather, water well after sowing seeds and planting out.

During the growing season sprinkle evenly over the soil around established plants. Gently work it into the soil surface with a hand fork or hoe without disturbing the plant roots and water in thoroughly.

Planting small plants and barerooted plants sprinkle around plants after planting and slightly work into the soil.

Planting bigger plants/shrubs/trees combine with soil from planting hole and planting compost and use as a planting mixture.

When to use

Miracle-Gro® Fish Blood and Bone All Purpose Plant Food can be applied prior to sowing or planting and as needed throughout the growing season.

For established plants and plants in containers apply every 6-8 weeks during the growing season, from March to the end of August, when plants are actively growing. Water in well.

Soil preparation apply any time you are preparing new beds and borders.

Use	Application Rate
Bedding plants/strawberries	50 g per sq m
Vegetable plots/cut flower beds	75 g per sq m
Tomatoes	50 g per plant
Planting shrubs/trees	50-100 g per plant
Plant in Containers	mix 50 g per 10 L of compost

Coverage: 130 sq m

10 kg e

We recommend you always wear gloves when gardening.

UK Fertiliser Declaration

Compound fertiliser NPK 5 - 3 - 5

Total Nitrogen (N)	5%
Phosphorus Pentoxide (P ₂ O ₅) total	3% (1.3%P)
Phosphorus Pentoxide (P ₂ O ₅) soluble in water	0% (0%P)
Potassium oxide (K ₂ O) total	5% (4.2 K)

RoI Fertiliser Declaration

Fertiliser containing Organic Material Compound NPK 5 - 1.3 - 4.2

Total Nitrogen (N)	5%
Phosphorus (P) total	1.3%
Phosphorus (P) soluble in water	0%
Potassium (K) total	4.2%

General advice

- Only use where there is a recognised need to feed plants.
- Keep away from plant leaves and stems.
- Do not exceed the appropriate application rate. Increasing the dosage may result in damage to your plants.
- Store in the original container in a cool, dry, frost-free place away from children, pets and foodstuffs.
- Wash hands and exposed skin after use.
- Do not eat or smoke while applying the product.

The UK's best selling branded compost!

Miracle-Gro® All Purpose Enriched Compost

- Grows plants twice as big as ordinary garden soil
- Enriched with Miracle-Gro® plant food
- Feeds for up to 3 months
- 40% more nutrients than ordinary compost
- Special water retaining agent – helps to stop plants drying out and makes watering easier
