Lime Natura Soil Improver

- ✎ Fast acting improver that also reduces soil acidity/increases alkalinity.
- ✎ Helps to break down heavy clay soil, improving structure and quality.
- ✎ Important source of calcium, which ensures strong growth and fruit and leaf quality.
- ✎ Helps prevent club root disease of brassicas, blossom end rot on tomatoes and bitter pit on apples.
- ✎ Ideal as a top dressing for lawns.
- ✎ Apply directly from the pack.

How to use

During soil preparation/planting time sprinkle evenly over the soil and mix in well. During dry weather, water well after sowing seeds and planting out.

During the growing season sprinkle evenly over the soil around established plants. Gently work it into the soil surface with a hand fork or hoe without disturbing the plant roots and water in thoroughly.

Lime must not be used on ericaceous or lime-hating plants or at the same time as a fertiliser. Leave 3 weeks before applying fertiliser.

When to use

Use Miracle-Gro® Lime Soil Preparer whenever it is necessary to reduce the acidity (pH) of soil and make it more alkaline. It can be used at any time of year, but autumn or winter application gives best results.

Club root to help prevent club root disease on brassicas, add to the soil before seed sowing or planting out.

Soil Type	Annual maintenance dose*	Dose to correct soil acidity (increases soil pH by app 0.5 points**)
Clay	50g per sq m	75g per sq m
Loam	75g per sq m	125g per sq m
Sandy	100g per sq m	200g per sq m

* To maintain correct soil acidity and supply plants with Calcium
** For very acidic soils (low pH) a higher dose might be necessary.
Dosing rates above 150 g /sqm should be given in two separate applications.

Coverage: 3.5 kg: 17.5-70 sq m

3.5kg e

General advice

- ✎ Only use where there is a recognised need to feed plants.
- ✎ Do not use on ericaceous or lime-hating plants.
- ✎ Lime should not be used at the same time as a fertiliser.
- ✎ Do not exceed the appropriate application rate.
- ✎ Increasing the dosage may result in damage to your plants.
- ✎ Store in the original container in a cool, dry, frost-free place away from children, pets and foodstuffs.
- ✎ Wash hands and exposed skin after use.
- ✎ Do not eat or smoke while applying the product.
