Sulphate of Iron Ericaceous Soil Conditioner

- Ideal for ericaceous (acid-loving, lime-hating) plants, such as Rhododendron, Azalea, Camellia, Heathers, Pieris, Hydrangeas, Roses, Blueberries & Acers
- Helps make all soil nutrients available to plants allowing them to take up the nutrients they need
- Works for several weeks
- Apply directly from the pack

How to use

During soil preparation/planting time
sprinkle evenly over the soil and mix in well. During dry weather, water well after sowing seeds and planting out.

During the growing season
sprinkle evenly over the soil around established plants. Gently work it into the soil surface with a hand fork or hoe without disturbing the plant roots and water in thoroughly.

Planting small and barerooted plants
sprinkle around plants after planting and slightly work into the soil.

Planting bigger plants/shrubs/trees
mix with soil from planting hole and planting compost and use as planting mixture.

When to use

Use Miracle-Gro® Sulphate of Iron Ericaceous Soil Conditioner whenever you need to acidify the soil, give a boost to ericaceous and other lime-hating plants and whenever leaf yellowing or poor growth is noticed.

Soil Type	Application Rate
Light sandy soil	25 g per sq m
Standard soil	35 g per sq m
Heavy clay soil	45 g per sq m

To further reduce soil pH a higher application rate can be used but do not exceed 100 g per sq m. Product can be reapplied after 6-8 weeks.

Coverage: 33-60 sq m

1.5kg e

We recommend you always wear gloves when gardening.

UK/Rol Fertiliser Declaration

EC FERTILISER Sulphate of Iron

Water soluble iron (Fe): 18%

General advice

- Only use where there is a recognised need to feed plants.
- Do not exceed the appropriate application rate. Increasing the dosage may result in damage to your plants.
- Store in the original container in a cool, dry, frost-free place away from children, pets and foodstuffs.
- Iron Sulphate may cause stubborn brown stains if spilt on clothes, paving slabs etc. Brush off immediately if accidentally spilt. Do not wash surfaces as this may cause staining.
- Wash hands and exposed skin after use.
- Do not eat or smoke while applying the product.
