

Weedol®

GUN!
FAST ACTING
WEEDKILLER

MAPP: 16170
PCS No: 04521

WHY CHOOSE WEEDOL® GUN! FAST ACTING WEEDKILLER?

- ✓ **IT WORKS QUICKLY:** visible results in 1 hour; dead in 24 hours
- ✓ **ALLOWS REPLANTING** or seeding after 24 hours

INSTRUCTIONS FOR USE

FOR USE ONLY AS A HOME GARDEN WEEDKILLER

For use on unwanted vegetation in paths, drives and patios.
READ ALL SAFETY INSTRUCTIONS BEFORE USE

WHEN TO USE

Weedol® Gun! Fast Acting Weedkiller should be applied from March to October, when the weeds are actively growing.

J F M A M J J A S O N D

Repeat treatment after 14 days where re-growth occurs. For total control of established deep-rooted perennial weeds such as bindweed use a product containing glyphosate, for example Weedol Rootkill Plus.

Use on a dry, calm day and avoid drift. Re-treat if the application has not dried before rain occurs.

Maximum number of treatments: 4 per year.

WHERE TO USE

Weedol® Gun! Fast Acting Weedkiller is a multipurpose weedkiller for use on unwanted vegetation. It can be used to kill broad leaved weeds and grasses in paths, drives and patios. Around the bases of roses, ornamental shrubs and trees, and under hedges (providing they are established, with woody bark). It can also be used for weeding before sowing or planting vegetables, flowers or lawns. Treated areas can be re-planted or re-seeded the day after treatment.

HOW TO USE

Always ensure the container is stored and carried upright when not spraying. Mark out the area to be treated in metre squares.

1. Remove sprayer and pull out the red connector and connecting hose.

2. Insert the red connector into the red receptor on bottle cap until it clicks. Flip up receptor.

3. Turn the spray nozzle to 'ON' and prime by squeezing the trigger a few times.

4. Apply the spray evenly to leaves and stems. Weeds must be thoroughly wetted to the point of run-off.

5. After use, push connector down, squeeze trigger to clear nozzle, turn nozzle to OFF position and replace the sprayer in the holster without disconnecting the hose.

For best results: treat small weeds at an early stage of growth. Repeat application after 14 days if weeds are not completely dead. This pack treats 30 m².

CAUTION

Weedol® Gun! Fast Acting Weedkiller

kills all green plant growth including lawn grasses. DO NOT apply to lawns and plants you want to keep. Apply no more than 100 mL/m². Allow spray to dry before walking or playing on treated areas.

SAFETY INSTRUCTIONS

Protection during / in use

Avoid contact with eyes. IN CASE OF CONTACT WITH EYES, RINSE IMMEDIATELY with plenty of water and seek medical advice. If swallowed, seek medical advice immediately and show this container or label. WASH OFF SPLASHES FROM SKIN IMMEDIATELY. Wash hands and exposed skin after use.

Environmental Protection

Do not apply when rainfall is expected within 6 hours of application. Risk to non-target insects or other arthropods. Dangerous to bees. To protect bees and pollinating insects do not apply to plants when in flower. Do not use where bees are actively foraging. Do not apply when flowering weeds are present. Direct spray away from ponds and other surface water bodies. Use appropriate containment to avoid environmental contamination. Do not contaminate water with the product or its container. Do not empty into drains.

Storage and Disposal

KEEP OUT OF THE REACH OF CHILDREN AND PETS. Keep away from food, drink and animal feeding stuffs. KEEP PRODUCT IN ORIGINAL CONTAINER, tightly closed in a safe place. EMPTY CONTAINER COMPLETELY and dispose of safely.

Poisons Information

For information, or to report a poisoning incident in Ireland contact the National Poisons Information Centre (01 8092166), retain the label for reference.

Risk and Safety Information To avoid risks to human health and the environment, comply with the instructions for use.

If medical advice is needed, have product container or label at hand. Keep out of reach of children. Read carefully and follow all instructions. Do not eat, drink or smoke when using this product. Dispose of contents/container to a household waste recycling centre as hazardous waste except for empty containers which can be disposed of by recycling. Contact your local council for details.
