

Weedol®

GUN!
ROOTKILL PLUS™
WEEDKILLER

MAPP: 14554
PCS No: 02465

WHY CHOOSE WEEDOL® GUN! ROOTKILL PLUS™?

- ✓ **SYSTEMIC** weedkiller, killing all garden broad-leaved and grass weeds down to the root so they won't grow back.
- ✓ **ACTS FAST**, with results visible in just 24 hours.

INSTRUCTIONS FOR USE

FOR USE ONLY AS A HOME GARDEN WEEDKILLER

For use on unwanted vegetation, areas not intended to bear vegetation and around garden plants.

READ ALL SAFETY INSTRUCTIONS BEFORE USE

WHEN TO USE

Use April – November, when weeds are actively growing.

Use on a dry, calm day. Re-treat if rain falls within 6 hours of application.

WHERE TO USE

Gravel areas, paths and drives, along fences, around sheds and greenhouses. Around the base of roses, ornamental shrubs, trees and under hedges (providing they are established, with woody bark). Take care to avoid drift! It's also ideal for ground clearance before autumn or spring digging and killing old lawns before reseeding or turfing.

HOW TO USE

SHAKE WELL BEFORE USE.

Always ensure the container is stored and carried upright when not spraying. Mark out the area to be treated in metre squares.

1. Remove sprayer and pull out the red connector and connecting hose.

2. Insert the red connector into the red receptor on bottle cap until it clicks. Flip up receptor.

3. Turn the spray nozzle to 'ON' and prime by squeezing the trigger a few times.

4. Apply the spray evenly to leaves and stems. Weeds must be thoroughly wetted to the point of run-off.

5. After use, push connector down, squeeze trigger to clear nozzle, turn nozzle to OFF position and replace the sprayer in the holster without disconnecting the hose.

Visible effects in 24 hours. Weed death may take up to 28 days (in cold weather activity is slower).

This pack treats: 87 m² of brush weeds, 102 m² of perennial weeds, 111 m² of annual weeds.

TIP

REPLANTING AND SOWING: Treated area can be re-planted 7 days after spraying (to allow the weedkiller to move to the roots before cultivation).

CAUTION

Weedol® Gun! Rootkill Plus™ kills all green plant growth including grass. **DO NOT APPLY TO LAWNS OR OTHER WANTED PLANTS UNLESS YOU WANT TO KILL THEM.** Direct spray away from ponds and other surface water bodies.

SAFETY INSTRUCTIONS

Protection during / in use

Keep off skin. Do not breathe spray. Wash hands and exposed skin after use. Keep children and pets away from treated areas until spray has dried.

Environmental protection

Use appropriate containment to avoid environmental contamination. Do not contaminate water with the product or its container. Do not empty into drains.

Storage and disposal

Keep away from food, drink and animal feeding stuffs. Keep product away from children and pets. **KEEP IN ORIGINAL CONTAINER, tightly closed, in a safe place. EMPTY CONTAINER COMPLETELY and dispose of safely.**

Risk and Safety Information

To avoid risks to human health and the environment, comply with the instructions for use.

Harmful to aquatic life with long lasting effects.

Read label before use.

Do not eat, drink or smoke when using this product.

Keep out of reach of children.

If medical advice is needed, have product container or label at hand.

For the UK only: Dispose of contents/container to a household waste recycling centre as hazardous waste except for empty containers which can be disposed of by recycling. Contact your local council for details.

For ROI only: Dispose of contents/container to a licensed waste disposal contractor or collection site, except for triple rinsed empty containers, which can be disposed of as non-hazardous waste.
