

Levington[®]

ORIGINAL

multi purpose compost

Levington Original compost is ideal for all gardening uses.

The tried and trusted mix of peat and bark is the perfect base for use all around your garden.

Levington composts have the reassurance of being used by many professional gardeners and growers for over 50 years.

Uses

Sowing, cuttings, potting, tubs and baskets, and planting out in your beds, borders or vegetable patch.

Plants

For houseplants, bedding plants, perennials, herbs, shrubs, trees and vegetables.

NOT SUITABLE for Rhododendrons, Azaleas, Camellias, Heathers and other acid loving plants, for these use an Ericaceous compost.

How to use

Use straight from the bag. When filling seed trays, hanging baskets or potting, firm only lightly.

Watering

Keep the compost moist and do not let it dry out. Avoid plants standing in water.

Feeding

Contains all essential nutrients to feed for 6-8 weeks after planting. Then feed with an appropriate food for the specific plants or a suitable all purpose feed.

This pack fills approximately

HOW MUCH PEAT IN THIS PRODUCT?

Where to Use:

Seed and Cutting

Fill the seed tray with Levington Original Multi Purpose Compost and level off. Firm lightly and water. Sow seeds following pack instructions.

Push cuttings into the compost. Firm lightly, water thoroughly and let drain. Keep moist and in a warm place out of direct sunlight.

Potting

Part fill the new pot with compost, place the plant in the centre and top up with compost. Firm lightly, water thoroughly and let drain.

Hanging Baskets

Line the basket if required with moss or other liner and part fill with compost. Plant up with trailing plants towards the edge and upright plants in the middle. Top up with compost, firm lightly, water thoroughly and let drain.

Beds and Borders

Dig a hole twice the size of the root ball. Part fill the hole with equal quantities of soil and compost. Ensure the plant is at the same level as in the pot.

Our commitment to sustainability

Did you know that you're part of one of the world's largest recycling efforts?

Each year, Scotts Miracle-Gro reuses thousands of tonnes of material from gardens and forests in many of our compost mixes, to help you grow plants that enhance your environment and make the world a more beautiful place.

Health and Safety Advice:

- Use in a well ventilated place and avoid breathing in dust.
- Always wear gloves when gardening and then wash hands after use.
