

For beautiful healthy plants, enrich them with **ORIGINS® ORGANIC COMPOST**.

Our compost contains naturally sourced ingredients including wood fibre and aged bark which makes sure your plants roots grow healthy and strong.

It's packed full of nutrients which will feed your plants for the whole season, then for optimum growth, continue to feed with **ORIGINS® ORGANIC PLANT FOOD**.

WHERE TO USE

Use in your hanging baskets, pots and beds to give your plants what they need to be beautiful and bountiful.

You can use this compost for houseplants, bedding plants, perennials, herbs, shrubs, trees, roses, fruit & veg.

For seeds or acid loving plants such as Rhododendrons, Azaleas and Heathers, you will need to use specialist compost such as ericaceous or seeding compost.

HOW TO USE

To get beautiful pots and beds is easy and works best if you follow the simple steps below. Make sure to always give the bag a good shake before you start planting.

Choose a lovely pot or spot in your flower bed.

Dig a hole twice the size of the plant rootball or fill your pot loosely to the rim with compost.

Place plant in the hole, fill with a mixture of compost and soil or place your plant in the centre of the pot. Firm around plant to ensure its nice and cosy.

Give your plant a good drink and sit back and enjoy.

STORAGE & HANDLING

Store in a cool dry place away from sun.

Open bag carefully and reseal bag after use.

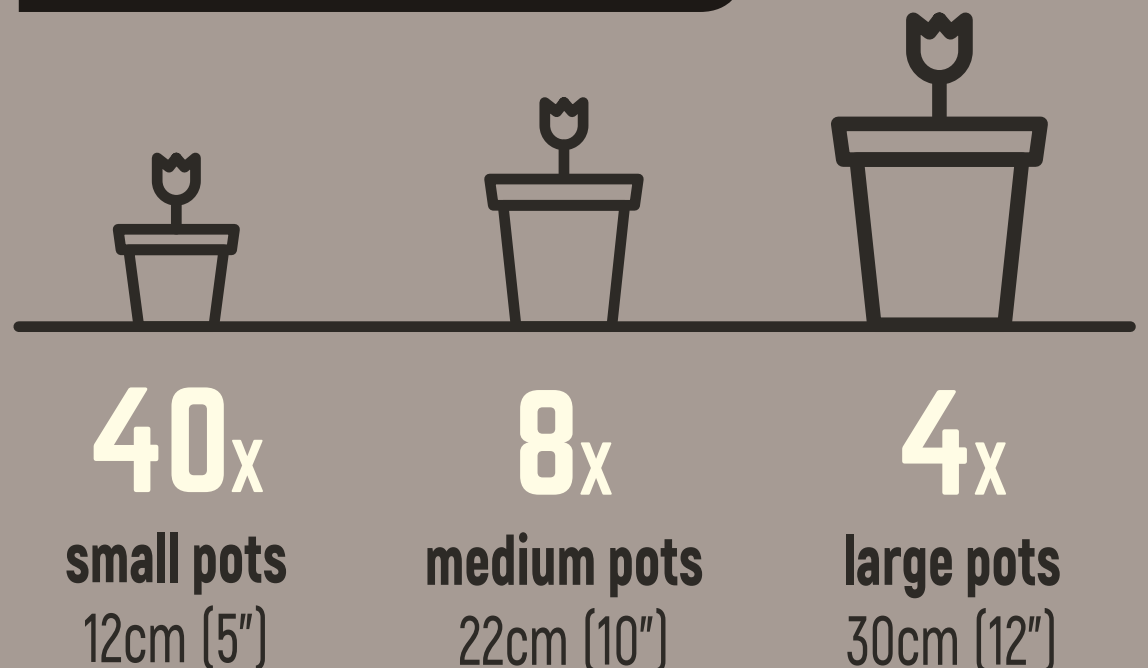

Use in a well ventilated place and avoid breathing in dust.

ADDITIONAL INFO

Our compost will feed your plants throughout the season but a little boost with **ORIGINS® ORGANIC PLANT FOOD** will do wonders. Try it after 3 months and see the results.

TIP - This bag is strong and useful for collecting garden waste! Get full use out of it before recycling.
