

For beautiful paths, drives and patios control weeds with **ORIGINS® WEED CONTROL**

Read all safety instructions before use

INSTRUCTIONS FOR USE

WHEN TO USE

Use in **March - October**, when weeds are actively growing and being a nuisance. When re-growth occurs repeat treatment after 14 days. Some weeds are worse than others, for total control of established deep-rooted perennial weeds such as bindweed use a product containing glyphosate. Use on a dry calm day and avoid spray drift. Re-treat if the application has not dried before rain.

Maximum number of treatments: 4 per year

WHERE TO USE

FOR USE ONLY AS A HOME GARDEN

WEED CONTROL. Our weed control can be used on gravel, paths, drives, base of roses, ornamental shrubs and trees and under established hedges with woody bark. If you're planting new beds for flowers and veg you can use before sowing and treated areas can be replanted or reseeded the day after treatment.

PATHS & DRIVES

GRAVEL AREAS

ROSES & SHRUBS

HOW TO USE

1. Release the safety tab by pressing down firmly on top of trigger head behind nozzle. At the same time, twist nozzle to spray position **(1/4 turn)**.
2. Apply spray evenly to leaves and stems. Weeds must be thoroughly wetted to the point of run-off.
3. Turn the nozzle to stop position after use.

CHILDREN & PETS

Allow spray to dry before walking or playing on treated areas.

CAUTION

Origins weed control kills all green plant growth, including grass. Do not apply to lawns and plants you want to keep. Apply no more than 100 ml/m².

We've got lots of lovely products in the range which will help your garden flourish. Learn more at WWW.ORIGINSGARDEN.CO.UK

SAFETY INFORMATION

Protection during/in use

Avoid contact with eyes. IN CASE OF CONTACT WITH EYES, RINSE IMMEDIATELY with plenty of water and seek medical advice. If swallowed, seek medical advice immediately and show this container or label. WASH OFF SPLASHES FROM SKIN IMMEDIATELY. Wash hands and exposed skin after use.

Environmental protection

Do not apply when rainfall is expected within 6 hours of application. Risk to non-target insects or other arthropods. Dangerous to bees. To protect bees and pollinating insects do not apply to plants when in flower. Do not use where bees are actively foraging. Do not apply when flowering weeds are present. Direct spray away from ponds or other surface water bodies. Do not empty into drains. Use appropriate containment to avoid environmental contamination.

Storage and disposal

KEEP OUT OF THE REACH OF CHILDREN AND PETS. KEEP PRODUCT IN ORIGINAL CONTAINER, tightly closed in a safe place. Keep away from food, drink and animal feeding stuffs. EMPTY CONTAINER COMPLETELY and dispose of safely. Protect from frost.

RISK AND SAFETY INFORMATION

To avoid risks to man and the environment comply with the instructions for use. If medical advice is needed, have product container or label at hand. Keep out of reach of children. Read label before use. Do not eat, drink or smoke using this product. Do not contaminate water with the product or its container. Dispose of contents/container to a household waste recycling centre as hazardous waste except for empty containers which can be disposed of by recycling. Contact your local council for details.
