## PLANT & GROW

lightweight compost for all plants

**We all love to have plants.**

Not for the labour, but the pleasure they give. Now it's easier than ever to care for your plants with Miracle-Gro, no matter how big your need, or how small your space -

**this is growing made simple.**

This Miracle-Gro Plant & Grow compost is light in weight but not in quality, this mighty compost will **feed** your plants for **up to 6 months** and help **retain up to 25% more moisture** than ordinary compost\*.

### WHAT IS EASY TO GROW?

#### Radishes

One of the fastest crops, radishes are ready to harvest in about three weeks. (As a bonus, you can eat the leafy tops as greens.)

#### Chives

No special treatment required for chives! Trim them often by giving them a "haircut" and shearing off the top third of the plant. Flowers are edible, too.

### WE RECOMMEND

For the hungriest plants or if leaves start to pale feed your plant with **Miracle-Gro Pump & Feed** food for all plants.

### USEFUL TIPS

#### KEEP YOUR PLANTS HAPPY

- Compost should be kept moist at all times and not allowed to dry out. Avoid plants sitting in water. Outdoor container plants require frequent watering.
- A potted plant should be re-potted annually with fresh Miracle-Gro Plant & Grow Compost.
- Move your plants into a larger container of fresh Miracle-Gro Plant & Grow Compost when roots completely fill the pot.

#### STORAGE INSTRUCTIONS

- Keep the bag closed when in storage to prevent drying out.
- Store in a cool, dry place away from sun.
- Reseal after use.

#### HEALTH & SAFETY ADVICE

- Use in a well ventilated place and avoid breathing in dust.
- Wash hands after use.
- We recommend you wear gloves when gardening.

ALWAYS USE GLOVES

#### APPROXIMATE FILL OPTIONS
