

Miracle-Gro®

Performance Organics from Miracle-Gro is the breakthrough range of 100% natural gardening products that still grows twice as big, but organically.

Made purely from plants, this mighty feed will give you visibly healthier plants in 7 days vs unfed plants.*

HOW TO USE

Shake the bottle before use. Using the dosage guide dilute the liquid plant food into a watering can. Soak the soil around the base of each plant.

Indoor plants & herbs: 1/4 cap to 1 L of water, feed weekly.

Plants in pots: 1/2 cap to 1 L of water, feed weekly.

Plants in soil: 1/2 cap to 1 L of water, feed weekly.

High feeders: tomato/potato/petunia/geranium, feed weekly.

Low feeders: carrot/salad/impatiens/snapdragon, feed every 2-3 weeks.

WHEN & WHERE TO USE

Use on fruits, vegetables and ornamental plants all around the house and garden. Start feeding when flowers & fruit start forming and continue to feed from early spring to late summer when plants are actively growing.

STORAGE & ADVICE

- Wash hands after use and wash splashes from skin.
- Do not keep diluted feed
- We recommend using gloves when gardening.
- Store out of direct sunlight, in a cool dry place between 5°C and 35°C out of the reach of children.
- Avoid over watering or allowing plants to dry out as this can cause damage to the roots.
- We recommend using Miracle-Gro Performance Organics All Purpose Compost to get even better results!
