**USEFUL
TIPS**

USEFUL TIPS

- For continued fantastic results with the hungriest plants we recommend that you begin feeding with **Miracle-Gro® Plant Food** as soon as the leaves begin to pale.
- Compost should be **kept moist** at all times and not allowed to dry out. Avoid plants sitting in water. Outdoor container plants require **frequent watering**.

STORAGE INSTRUCTIONS

- Keep the bag closed when in storage to prevent drying out.
- Storage from one year to another may affect performance.
- Keep away from pesticides.
- Occasionally a white mould appears on the compost. This is **not harmful** to your plants and should disappear naturally.

HEALTH & SAFETY ADVICE

- Use in a well ventilated place and avoid breathing in dust.
- Always wear gloves when gardening.
- Wash hands after use.
- Store in a cool place, away from sun.
- Open bag carefully and reseal after use.
