

MOTH CLEAR™

CLOTHES MOTH TRAPS

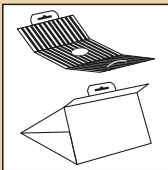

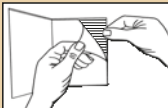

Ideal to place in wardrobes and other dark spaces where clothes moths could cause damage. Effective for up to 3 months and odour free.

INSTRUCTIONS FOR USE:

FOR USE ONLY AS MONITORING TRAPS FOR CLOTHES MOTHS

HOW TO USE:

- 1) Place the trap in a domestic setting where clothes or other natural wool or fur textiles are stored.
- 2) Remove the protective film of the double-side adhesive tape on the back of the trap. Fit the trap on a shelf in the wardrobe. Press the trap strongly for a better adhesion.
- 3) Peel off the protective film from the glue surface in order to activate the product and put it together in a tent shape.
- 4) Check the trap once a week and change it when its surface is covered by insects, or after three months of use.

APPLICATION RATE:

Inside the wardrobe: One trap in each wardrobe (1 trap/0.5m³)
Outside the wardrobe: One trap/12m³

INFESTATION:

If you are sure pests are present, (moth sightings and holes in the clothes) but no insects are found on the trap after 4 days, move to a different place.

Monitor the trap continuously.

Read carefully and follow all instructions. Keep out of reach of children & pets.

To recycle the packaging, dispose of the outer carton in the appropriate recycling bin. The clothes moth trap must be disposed of in the waste bin.

For Batch Number and Expiry Date, see bottom of the pack.
