

Miracle-Gro®

PEAT FREE

PLANT & GROW

compost for all plants

We all love to have plants.

Not for the labour, but the pleasure they give. Now it's easier than ever to care for your plants with Miracle-Gro®, no matter how big your need, or how small your space -

this is growing made simple.

HOW TO USE

1 POUR

2 PLANT

3 WATER

4 ENJOY!

WHAT IS EASY TO GROW?

Radishes

One of the fastest crops, radishes are ready to harvest in about three weeks (as a bonus, you can eat the leafy tops as greens).

Chives

No special treatment required for chives! Trim them often by giving them a 'haircut' and shearing off the top third of the plant. The flowers are edible, too.

WE RECOMMEND

For the hungriest plants or if leaves start to pale, feed your plant with Miracle-Gro® Pump & Feed food for all plants.

IDEAS ON RE-USING THIS BAG...

HANGING BASKET IDEA... "You could add some drainage holes and use the bag as a liner for your hanging baskets."

GET GROWING... "Make some drainage holes in the bottom of the bag, fill with compost and then plant potatoes in them."

USEFUL TIPS

KEEP YOUR PLANTS HAPPY

- Compost should be kept moist at all times and not allowed to dry out. Avoid plants sitting in water. Outdoor container plants require frequent watering.
- A potted plant should be repotted annually with fresh Miracle-Gro® Peat Free Plant & Grow Compost.
- Move your plants into a larger container of fresh Miracle-Gro® Peat Free Plant & Grow Compost when roots completely fill the pot.

STORAGE INSTRUCTIONS

- Keep the bag closed when in storage to prevent drying out.
- Storage from one year to another may affect performance.
- Store in a cool dry place away from the sun.
- Keep away from pesticides.
- Occasionally a white mould appears on the compost. This is not harmful to your plants and should disappear naturally.

HEALTH & SAFETY ADVICE

- Use in a well ventilated place and avoid breathing in dust.
- Wash hands after use.
- Open bag carefully and reseal after use.
- Always wear gloves when gardening.

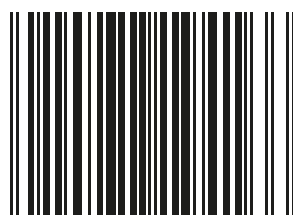

ALWAYS USE GLOVES

APPROXIMATE FILL OPTIONS

10L when filled. Volume may reduce by up to 10%*1
