

Weedol® GUN!

ROOTKILL PLUS™

MAPP: 14554
PCS No: 02465

WHY CHOOSE WEEDOL® GUN! ROOTKILL PLUS™?

SYSTEMIC weedkiller, killing all garden broad-leaved and grass weeds down to the roots so they won't grow back.
ACTS FAST, with results visible in just 24 hours.
Active ingredients **DEGRADES IN SOIL**, to allow replanting.

INSTRUCTIONS FOR USE

FOR USE ONLY AS A HOME GARDEN WEEDKILLER.

For use on unwanted vegetation, areas not intended to bear vegetation and around garden plants.

READ ALL SAFETY INSTRUCTIONS BEFORE USE.

WHEN TO USE

Use April – November, when weeds are actively growing. Use on a dry, calm day. Re-treat if rain falls within 6 hours of application.

WHERE TO USE

Gravel areas, paths and drives, along fences, around sheds and greenhouses. Around the base of roses, ornamental shrubs, trees and under hedges (providing they are established, with woody bark). Take care to avoid drift! It's also ideal for ground clearance before autumn or spring digging and killing old lawns before reseeded or turfing.

HOW TO USE

SHAKE WELL BEFORE USE. Always ensure the container is stored and carried upright when not spraying. Mark out the area to be treated in metre squares.

1. Cut the plastic tie connecting the sprayer to the bottle with scissors. Remove sprayer and pull out the red connector.

2. Insert the red connector into the red receptor on bottle cap until it clicks. Flip up receptor.

3. Turn the sprayer nozzle to 'NARROW' or 'WIDE' and squeeze the trigger a few times to build pressure. Spray weeds evenly, ensuring coverage on all the leaves.

4. After use, flip down red receptor to 'OFF' position.

5. Squeeze the sprayer trigger to empty nozzle. Turn nozzle to 'X' (OFF) and replace sprayer in the holder without disconnecting the red connector.

Visible effects in 24 hours. Weed death may take up to 28 days (in cold weather activity is slower).

Poisons Information:

For information, or to report a poisoning incident in Ireland contact the National Poisons Information Centre (01 8092166), retain the label for reference.

Don't Recycle

TIP

REPLANTING AND SOWING: Treated area can be re-planted 7 days after spraying (to allow the weedkiller to move to the roots before cultivation).

CAUTION

Weedol® Gun! Rootkill Plus™ kills all green plant growth, including grass. **DO NOT APPLY TO LAWNS OR OTHER WANTED PLANTS UNLESS YOU WANT TO KILL THEM.** Direct spray away from ponds and other surface water bodies.

SAFETY INSTRUCTIONS

Protection during / in use

Keep off skin. Do not breathe spray. Wash hands and exposed skin after use. Keep children and pets away from treated areas until spray has dried.

Environmental protection

Use appropriate containment to avoid environmental contamination. Do not contaminate water with the product or its container. Do not empty into drains.

Storage and disposal

Keep away from food, drink and animal feeding stuffs. Keep product away from children and pets. **KEEP IN ORIGINAL CONTAINER**, tightly closed, in a safe place. **EMPTY CONTAINER COMPLETELY** and dispose of safely.

RISK AND SAFETY INFORMATION

To avoid risks to human health and the environment, comply with the instructions for use.

Harmful to aquatic life with long lasting effects.

Read carefully and follow all instructions.

Do not eat, drink or smoke when using this product.

Keep out of reach of children.

If medical advice is needed, have product container or label at hand.

Dispose of contents/container to a household waste recycling centre as hazardous waste except for empty containers which can be disposed of by recycling. Contact your local council for details.

Contains 1, 2- Benzisothiazolin-3-one (BIT).

May produce an allergic reaction.

MAPP: 14554 PCS No: 02465

Contains 7.2 g/L glyphosate and 0.02 g/L pyraflufen-ethyl as a ready to use suspension formulation.
