Weedol®

ROOTKILL PLUS™

WEEDKILLER

TIPS

REPLANTING AND SOWING: Treated area can be re-planted 7 days after spraying (to allow the weedkiller to move to the roots before cultivation).

CAUTION

Weedol® Rootkill Plus™ kills all green plant growth including lawn grasses. **DO NOT APPLY TO LAWNS AND PLANTS IF YOU WANT TO KEEP THEM.**

Avoid all contact by spray and spray drift with cultivated plants and desired vegetation.

Direct spray away from ponds and other surface water bodies.

SAFETY INSTRUCTIONS

Protection during / in use

Keep off skin.
Do not breathe spray.
Wash hands and exposed skin after use.

Environmental protection

Use appropriate containment to avoid environmental contamination.

Do not contaminate water with the product or its container.
Do not empty into drains.

Storage and disposal

Keep away from food, drink and animal feeding stuffs.
Keep product away from children and pets.

ROOTKILL PLUS™

WEEDKILLER

MAPP: 14553

WHY CHOOSE WEEDOL® ROOTKILL PLUS™?

- ✓ **SYSTEMIC** weedkiller, killing all garden broad-leaved and grass weeds down to the root.
- ✓ **ACTS FAST**, with results visible in just 24 hours.

INSTRUCTIONS FOR USE

For use on areas not intended to bear vegetation, unwanted vegetation and around garden plants. **FOR USE ONLY AS A HOME GARDEN WEEDKILLER. READ ALL SAFETY INSTRUCTIONS BEFORE USE.** Keep children and pets away from treated areas until spray has dried. **Maximum individual dose:** 35 ml of product per 20 m².

WHEN TO USE

Use April – November. Spray when weeds are actively growing, and/or green with plenty of leaf area to absorb the spray. Use on a dry, calm day. Do not apply if rain is expected within 6 hours of application.

WHERE TO USE

Weedol® Rootkill Plus™ can be used to control weeds on gravel areas, paths and drives, along fences, around sheds and greenhouses. Around the base of roses, ornamental shrubs, trees and under hedges (providing they are established, with woody bark). Take care to avoid drift!

Weedol® Rootkill Plus™ is ideal for ground clearance before autumn or spring digging and killing old lawns before reseeded or turfing.

DO NOT USE ON LAWNS, UNLESS YOU WANT TO KILL THEM.

HOW TO USE

SHAKE WELL BEFORE USE.

1. Use either: Watering can with a Weedkiller Sprinkle Bar or a fine rose, or a garden sprayer.
2. Mix appropriate amount (see below) with 1 litre of water in a sprayer, or 5 litres of water in a watering can and mix thoroughly.
3. Apply the spray evenly to the weeds, to lightly wet the leaves. Do not walk on treated areas until spray has dried on leaves to avoid transfer to lawns and other vegetation.
4. Clean the equipment thoroughly before and after use. Do not apply through, or store in, galvanised or unlined mild steel sprayers or watering cans.

* Visible results in 24 hours.

Weed death may take up to 28 days (in cold weather activity is slower).

AMOUNT TO USE

The amount of **Weedol® Rootkill Plus™** required depends on the **type of weeds to be treated** and **kind of equipment** used. Only make as much **Weedol® Rootkill Plus™** as you intend to use that day.

Type of weed	Amount of Weedol® Rootkill Plus™ added to:	Area treated	Examples	
Annual weeds	Sprayer: 1 litre water Watering can: 5 litres water	17 ml	20 m²	Chickweed, fat hen, field speedwell, shepherds purse, field forget-me-not, cleavers, black bindweed
Perennial weeds		25 ml	20 m²	Creeping thistle, rosebay, willowherb, perennial nettle, docks, couch grass
Brush weeds		35 ml	20 m²	Bramble, bracken

MIXING & APPLYING

Using the measure supplied, add the required dose to the water (as described in table above) and mix thoroughly. Apply the spray evenly to the weeds, to lightly wet the leaves. Do not walk on treated areas until spray has dried on leaves to avoid transfer to lawns and other vegetation.

WHERE TO USE

Gravel areas, paths and drives

Along fences

Around sheds and greenhouses

Around the base of roses, ornamental shrubs, trees and under hedges**

Ground clearance before autumn or spring digging

Killing old lawns before reseeded or turfing

** Providing they are established, with woody bark. Take care to avoid drift!
