## INSTRUCTIONS FOR USE

FOR USE ONLY AS A HOME GARDEN WEEDKILLER.  
READ ALL SAFETY INSTRUCTIONS BEFORE USE.

### WHEN TO USE

March – October, when weeds are actively growing • Apply on a calm, dry, warm day and avoid spray drift • For best results treat small weeds at early growth stage • If regrowth occurs reapply after 14 days • Reapply if the application has not dried before rain occurs.

**Maximum 4 applications per year.**

### WHERE TO USE

This product is a multipurpose weedkiller for use in areas not intended to bear vegetation and unwanted vegetation. It can be used to kill broad leaved weeds and grasses in paths, drives and permeable patios. Around the bases of roses, ornamental shrubs and trees (pome and stone fruit trees), and under hedges (providing they are established, with woody bark). It can also be used for weeding before sowing or planting vegetables, flowers or lawns. Treated areas can be replanted or reseeded the day after treatment.

### HOW TO USE

**SHAKE WELL BEFORE USE.** We recommend wearing gloves.

**1.** Press down firmly on top of trigger head immediately behind yellow nozzle to depress safety tab. At the same time, twist nozzle to spray position (¼ turn either way). **2.** Apply the spray evenly to leaves and stems. Weeds must be thoroughly wetted to the point of run-off. Apply no more than 100 mL/m<sup>2</sup>. **3.** Turn the nozzle to Stop position after use.

**Poisons Information:** For information, or to report a poisoning incident in Ireland contact the National Poisons Information Centre (01 8092166), retain the label for reference.

**†No Glyphosate claim is provided to help distinguish from other formulas that may contain glyphosate.**

### CAUTION

This product kills all green plant growth, including grass. **DO NOT APPLY TO LAWNS OR OTHER WANTED PLANTS UNLESS YOU WANT TO KILL THEM.** Allow spray to dry before walking or playing on the treated areas.

### SAFETY INSTRUCTIONS

#### Protection during / in use

Avoid contact with eyes. **IN CASE OF CONTACT WITH EYES, RINSE IMMEDIATELY** with plenty of water and seek medical advice. If swallowed, seek medical advice immediately and show this container or label. **WASH OFF SPLASHES FROM SKIN IMMEDIATELY.** Wash hands and exposed skin after use.

#### Environmental protection

Do not apply when rainfall is expected within 6 hours of application. Risk to non-target insects or other arthropods. Dangerous to bees. To protect bees and pollinating insects do not apply to plants when in flower. Do not use where bees are actively foraging. Do not apply when flowering weeds are present. Direct spray away from ponds and other surface water bodies. Do not empty into drains. Use appropriate containment to avoid environmental contamination.

#### Storage and disposal

**KEEP OUT OF THE REACH OF CHILDREN AND PETS.** Keep away from food, drink and animal feeding stuffs. **KEEP IN ORIGINAL CONTAINER,** tightly closed, in a safe place. **EMPTY CONTAINER COMPLETELY** and dispose of safely. For the UK only: Dispose of empty container in the dustbin. Dispose of unused product in its container at a household waste site (civic amenity site). Contact your local council (local authority) for details. This material and its container must be disposed of in a safe way.

### RISK AND SAFETY INFORMATION

**To avoid risks to human health and the environment, comply with the instructions for use.**

If medical advice is needed, have product container or label at hand. Keep out of reach of children. Read carefully and follow all instructions. Do not eat, drink or smoke using this product. Do not contaminate water with the product or its container.
