

Our special bio-stimulant works as a natural super food for your plants, ensuring they grow healthy and beautiful.

How to use

Add ½ a cap of Miracle-Gro® All Purpose Concentrated Plant Food to 1 litre of water. Soak the soil around the base of each plant. Reduce rate to ¼ cap per litre of water for sensitive, small or young plants.

When to use

Feed every 7-14 days from early spring to late summer. Only feed when plants are actively growing.

Where to use

Use on ornamental plants, fruits and vegetables all around the garden.

ALWAYS USE GLOVES

Storage and advice

Wash splashes from skin.

Store out of direct sunlight, in a cool dry place between 5°C and 35°C out of the reach of children.

*versus unfed plants. **Miracle-Gro® is the UK No.1 plant food brand, source: GfK Total Panel Market, MAT data to Sept. 2021.
