

COMPOST

ALL PURPOSE

BIGGER PLANTS, MORE FLOWERS,
GREENER LEAVES – GUARANTEED†

Our premium compost mix is proven to grow healthier plants – at least twice as big than those grown in ordinary compost. Miracle-Gro® compost enables strong root development with improved water and nutrient absorption, resulting in bigger plants, more flowers and fruits, greener leaves – guaranteed.

We're so confident you'll love it, we'll replace it if you're not satisfied. Need a helping hand? Call our Miracle-Gro® Garden Gurus.

EXPERTLY CRAFTED USING
PEAT FREE INGREDIENTS

Miracle-Gro® Compost – All Purpose is 100% peat free – better for the planet by using responsibly sourced ingredients and loved by your plants too!

ENRICHED WITH 3 MONTHS FEED

This ready-to-use compost is enriched with Miracle-Gro® plant food granules, which slowly release vital nutrients over 3 months. That means less effort for you and all the nourishment your plants need to thrive – giving you more time to enjoy your garden.

MIRACLE-GRO® ROOTED IN SCIENCE

HOW MUCH COMPOST IS IN THIS BAG

*Medium Pots
22cm (9")

Large Pot
25cm (10")

Hanging Basket
30cm (12")

HOW TO USE

This ready-to-use compost has 3 months feed inside.

FOR CONTAINERS & BASKETS

ALWAYS
WEAR
GLOVES

Place a layer of compost in the base of the pot.

Tap out the plant from the old pot, loosen the root ball and place in the centre of the pot.

Fill the space around the root ball, ensuring the compost level covers all the roots.

Firm lightly, water thoroughly and let drain.

BEDS & BORDERS

Dig a hole twice the size of the root ball.

Position the plant and fill with 50% soil and 50% compost and firm around the base.

Water thoroughly.

DAY 1

Fill container with Miracle-Gro® Compost – All Purpose and plants.

WATER REGULARLY

Check before you water, it can be wet lower down in the pot. If damp, don't water.

NO NEED TO FEED FOR 3 MONTHS

3 MONTHS

Now feed regularly with Miracle-Gro® Plant Food Liquid – All Purpose. Keep plant well fed and watered for summer long blooms and healthy leaves.

USEFUL TIPS

- Sometimes you might see some white mould on your compost. This is not harmful to your plants and will disappear naturally.
- Some plants are hungrier than others so may need feeding earlier. If the leaves start to pale this is a sign to start feeding with a Miracle-Gro® Plant Food.
- Try to avoid compost in pots drying out, and don't let them sit in water, roots don't like being waterlogged!
- Outdoor pots and containers might need more water in the summer, so always do the finger test to check, see diagram.
- Miracle-Gro® Compost – All Purpose is ideal for many plants, including bulbs and houseplants, however there are a few plants that are better suited to other composts:

When growing from scratch, we recommend Miracle-Gro® Seeds, Plugs and Young Plants Compost which is specially formulated for younger plants.

For all plants that love acidic soil, known as ericaceous, we strongly recommend Miracle-Gro® Azalea, Camellia and Rhododendron Compost.

GOOD TO KNOW

100% PEAT FREE

We are committed to protecting the environment and this compost is 100% peat free

HEALTH, SAFETY & STORAGE ADVICE

Miracle-Gro® Compost – All Purpose

Keep out of reach of children and pets. Wear gardening gloves and wash hands after use. Open bag carefully, use in a well ventilated area and avoid breathing in dust. Keep the bag closed when in storage to prevent drying out. Store in a cool place, away from direct sunlight. Storage from one year to another may affect performance or product quality may deteriorate during storage.. Keep away from pesticides.
