

Miracle-Gro®

Our special plant food with biostimulant works as a natural super food for your plants, ensuring they grow healthy and beautiful.

How to use

Add ½ a cap of Miracle-Gro® Rose & Shrub Concentrated Plant Food to 1 litre of water. Soak the soil around the base of the plant with the diluted solution.

When to use

Feed every 7-14 days from early spring to late summer. Only feed when plants are actively growing.

Where to use

Use on roses, shrubs and ornamental plants.

ALWAYS USE GLOVES

Storage and advice

Store upright in original packaging. Protect from frost. Store between 5 - 30°C. Store away from direct sunlight and sources of heat. Keep out of reach of children and pets. Keep away from food and drink.
