**SUSTAINABILITY
COMMITMENT**

We support more sustainable packaging options. By choosing this refill, you've helped reduce plastic by 70%*. The small actions count!

HOW TO PREPARE

This Refill pack is for use with the Scotts Lawn Builder Buffalo Weed, Feed & Green-up 3-in-1 Weedkill & Fertiliser refillable bottle. If used in other applicators, the mix rate may lead to product not working as effectively or may cause damage to lawn.

TO REFILL

1. Find a level area, preferably outdoors on a benchtop away from food, animal feed and plants.
2. Check the amount of liquid already in the bottle. This can be viewed on the side panel. Aim to fill only to the full marker.
3. Remove the front bottle cap by pressing down & unscrewing in an anti-clockwise direction.
4. Unscrew the cap of the matching Lawn Builder Refill pouch.
5. Hold refill pouch as pictured.
6. Insert refill nozzle into the Bottle opening.
7. Carefully pour the refill product into the bottle. Securely close the bottle cap again.
8. Securely close Refill pouch and store or dispose of as per instructions.

Lawn Builder™

KILLS WEEDS, GREENS & THICKENS

DO NOT spray if weeds are wilted by dry or cold weather. DO NOT apply if shade temperatures are expected to exceed 30°C within a 72 hour period. DO NOT spray if rain is expected within 4 hours. DO NOT mow grass for 2 days after treatment.

HOW TO USE

SITUATION Lawns - established Buffalo (except ST varieties), Couch (including QLD Blue Couch), Bent, Fescue, Kikuyu, Paspalum and Ryegrass.

WEEDS CONTROLLED Bindii, Capeweed, Cat's ear, Clover (not TAS), Creeping buttercup, Cudweed, Dandelion, Fleabane, Jo-jo (onehunga), Oxalis, Plantain, Thistles.

RATE Apply entire contents: 2.8L treats 180m² 2.0L treats 130m²

HOW TO APPLY Measure lawn before application. Apply evenly over the area to be treated. Weeds die slowly; effects may take 3 weeks to appear. Repeat application may be required to control advanced weeds or certain types of clover. Slight browning of grasses may occur.

NOT TO BE USED FOR ANY PURPOSE, OR IN ANY MANNER, CONTRARY TO THIS LABEL UNLESS AUTHORISED

PRECAUTIONS: Before use on new varieties of buffalo, test on a small area first. DO NOT allow spray to contact or drift onto plants you do not want to kill. DO NOT apply within the dripline of shallow rooted trees or shrubs or apply the product in areas where the chemical may be washed into contact with roots of desirable plants. DO NOT allow entry (including pets) into treated area until spray has dried. DO NOT allow chemical containers or spray to get into the drains, sewers, streams or ponds. DO NOT feed grass clippings from treated areas to poultry or other animals or use to mulch plants.

STORAGE AND DISPOSAL: Store in the closed, original container in a cool, dry place out of the reach of children. Do not store in direct sunlight. Dispose of empty container by wrapping in paper, placing in plastic bag and putting in garbage.

SAFETY DIRECTIONS: Will irritate the eyes. Avoid contact with eyes. When opening the container and preparing spray wear safety glasses. If product in eyes, wash it out immediately with water. Wash hands after use.

FIRST AID: If poisoning occurs, contact a doctor or Poisons Information Centre. Phone Australia 13 11 26, New Zealand 0800 764 766.

THIS IS A CONCENTRATE. PLEASE CALL THE GARDEN ADVICE LINE FOR DILUTION RATES FOR YOUR OWN PERSONAL SPRAYER.
